Untiedt,2017-12-15 There is sometimes a fine line between history and folklore This Publication of the Texas Folklore Society features articles that tell stories about real life characters from the historical past of Texas as well as offer personal reflections about life from diverse perspectives throughout the last century These contributors go beyond merely stating facts about dates or locations or names of the events and people that can be found in court documents or genealogical records several of these authors provide a very intimate connection to the tales they share These articles are not just about people that we read about as school children and they do not merely describe how our culture used to be or how vastly it has changed rather they emphasize the ways we keep our culture alive through the retelling of the events and customs and major figures that are important enough to pass on from one generation to the next The first section covers legendary characters like Davy Crockett Mody Boatright Sam Houston and Cynthia Ann Parker from our state s past as well as people who were bigger or bolder than others yet seem to have been forgotten Some of those characters came from different countries while others are connected directly to our Texas Folklore Society family tree The second section includes works that examine songs of our youth as well as the customs and social constructs associated with music whether it s on a football field or in a prison yard The works in the final section recall memories of a simpler time when cars and home appliances lacked modern conveniences we now take for granted before Facebook and YouTube allowed us to become Internet movie stars and when it was a treat just to go and visit with family and friends **Texas BBQ** The Editors of Southern Living,2017-04-04 Experience flavor as big as the Lone Star State itself Texans aren t shy to proclaim that the nation s best barbecue comes from inside the borders of the Lone Star State Tipping ten gallon hats to the smoky caramelized bark and tender pink center of the state s signature slow cooked brisket pulled pork tacos so spicy they curl toes

**Fire in the Water, Earth in the Air** Christopher J. Oglesby, 2013-06-11 From Buddy Holly and the Crickets to the Flatlanders Terry Allen and Natalie Maines Lubbock Texas has produced songwriters musicians and artists as prolifically as cotton conservatives and windstorms While nobody questions where the conservatives come from in a city that a recent nonpartisan study ranked as America s second most conservative many people wonder why Lubbock is such fertile ground for creative spirits who want to expand the boundaries of thought in music and art Is it just that there s nothing else to do as some have suggested or is there something in the character of Lubbock that encourages creativity as much as conservatism In this book Christopher Oglesby interviews twenty five musicians and artists with ties to Lubbock to discover what it is about this community and West Texas in general that feeds the creative spirit Their answers are revealing Some speak of the need to rebel against conventional attitudes that threaten to limit their horizons Others such as Joe Ely praise the freedom of mind they find on the wide open plains There is this empty desolation that I could fill if I picked up a pen and wrote or picked up a guitar and played he says Still others express skepticism about how much Lubbock as a place contributes to the success of its musicians Jimmie Dale Gilmore says I think there is a large measure of this Lubbock phenomenon that is just luck and that is the part that you cannot explain As a whole the interviews create a portrait not only of Lubbock s musicians and artists but also of the musical community that has sustained them including venues such as the legendary Cotton Club and the original Stubb s Barbecue This kaleidoscopic portrait of the West Texas music scene gets to the heart of what it takes to create art in an isolated often inhospitable environment As Oglesby says Necessity is the mother of creation Lubbock needed beauty poetry humor and it needed to get up and shake its communal ass a bit or go mad from loneliness and boredom so Lubbock created the amazing likes of Jimmie Dale Gilmore Butch Hancock Terry Allen and Joe Ely
