A Thieves Tale Roger W. Carr, 2006-05 What was unique about the Seven Churches of the Book of Revelation This first book in the Thieves Tale series the Persian Dagger begins the incredible journey of two very different men The story is set in the time of the Roman Empire and the early Church Both men are thrown together in the brutal world of slavery as boys Both lost everything of value at the hands of one of histories greatest imperial families The Flavian family of Emperors were responsible for the destruction and slaughter of thousands both in Judea and Rome The reader will be immersed in the secretive and mysterious world of the seven Churches and the cities in which they had to endure incredible hardships and dangers You will hear the last words of Jesus Christ to His Church and those words will come alive with the light of understanding *Tales of the East: The new Arabian nights; Persian tales; Persian tales of Inatulla; Oriental tales; Nourjahad; and additional tales from the Arabian nights* Henry Weber, 1812

History of Iranian Literature J. Rypka, 2013-11-11 Some justification seems to be necessary for the addition of yet another History of Iranian Literature to the number of those already in existence Such a work must obviously contain as many novel features as possible so that a short explanation of what my collaborators and I had in mind when planning the book is perhaps not superfluous In the first place our object was to present a short summary of the material in all its aspects and secondly to review the subject from the chronological geo graphical and substantial standpoints all within the compass of a single volume Such a scheme precludes a formal and complete enumeration of names and phenom ena and renders all the greater the obligation to accord most prominence to matters deemed to be of greatest importance supplementing these with such figures and forms as will enable an impression to be gained of the period in question all this is far as possible in the light of the most recent discoveries A glance at the table of contents will suffice to give an idea of the multifarious approach that has been our aim We begin at the very first traces of evidence bearing on our subject and continue the narrative up to the present day Geographically the book embraces Iran and its neighbouring countries while it should be remarked that Iranian literature in its fullest sense also includes Indo Persian and Judeo Persian works The Epic of Kings, Hero Tales of Ancient Persia Firdausi, 2021-11-16 The Epic of Kings Hero Tales of Ancient Persia Firdausi The Epic of Kings Hero Tales of Ancient Persia The Shahnameh is an epic poem by the Persian poet Firdausi written between 966 and 1010 AD Telling the past of the Persian empire using a mix of the mythical and historical it is regarded as a literary masterpiece Not only important to the Persian culture it is also important to modern day followers of the Zoroastrianism religion It is said that the poem was Firdausi s efforts to preserve the memory of Persia s golden days following the fall of the Sassanid empire The poem contains among others mentions of the romance of Zal and Rudba Alexander the Great the wars with Afrsyb and the romance of Bijan and Manijeh *Tales of the East: Compromising the Most Popular Romances of Oriental Origin* Henry Weber, 1812 Grimm's Household Tales Jacob Grimm, Wilhelm Grimm, 1884 **Tales of the East: Compromising the Most Popular Romances of Oriental Origin**

,1812 The Book of Noodles William Alexander Clouston,1888 William Alexander Clouston 1843 1896 was a famous British Folklorist He contributed to valuable studies combining Eastern traditional literature with Norse and Western Folklore His works include The Book of Noodles Stories of Simpletons or Fools and Their Follies 1888 Flowers from a Persian Garden and Other Papers 1890 and Book of Wise Sayings 1893 LIKE popular tales in general the original sources of stories of simpletons are for the most part not traceable The old Greek jests of this class had doubtless been floating about among different peoples long before they were reduced to writing The only tales and apologues of noodles or stupid folk to which an approximate date can be assigned are those found in the early Buddhist books especially in the J takas or Birth stories which are said to have been related to his disciples by Gautama the illustrious founder of Buddhism as incidents which occurred to himself and others in former births and were afterwards put into a literary form by his followers Tales of the East: Comprising the Most Popular Romances of Oriental Origin ... to which is Prefixed an Introductory Dissertation, Containing an Account of Each Work and of Its Author, Or Translator Henry William Weber,1812 *Slaves Tell Tales* Sara Forsdyke,2012-07-22 The author argues that various forms of popular culture in ancient Greece including festival revelry oral storytelling and popular forms of justice were a vital medium for political expression and played an important role in the negotiation of relations between elites and masses as well as masters and slaves in the Greek city states Although these forms of social life are only poorly attested in the sources she suggests that Greek literature reveals traces of popular culture that can be further illuminated by comparison with later historical periods By looking beyond institutional contexts she recovers the ways that groups that were excluded from the formal political sphere especially women and slaves participated in the process by which society was ordered The Book of Noodles, Or, Fools and Their Follies William Alexander Clouston,1888 **Tales of the East: comprising the most popular romances of Oriental origin, and the best imitations by European authors.
