A Twisted Trade A Legend Of The Slave Trade:

A Twisted Trade Jeffrey T Rains, 2014-07-14 The small kingdom of Komenda has ventured into the slave trade The king looks to his most trusted advisor Chimezie to manage the rival tribesmen captured from the local countryside As an entrepreneurial man the king sees the wealth of his European contacts and realizes the potential of the trade He seeks to increase his wealth and expand his kingdom Charging Chimezie with a mission he dutifully follows the slave trade to the New World What he finds makes him doubt his mission The deeper he goes the clearer the picture becomes Cloaked in secrets the reality of slavery is a legacy of violence terror and families torn apart Can Chimezie resist the lure of money and power to stand up for the people Can he convince others to give up the trade What would you risk to be on the right side of history

Ama, a Story of the Atlantic Slave Trade Manu Herbstein, 2018-01-05 I am a human being I am a woman I am a black woman I am an African Once I was free then I was captured and became a slave but inside me here and here I am still a free woman During a period of four hundred years European slave traders ferried some 12 million enslaved Africans across the Atlantic In the Americas teaching a slave to read and write was a criminal offense When the last slaves gained their freedom in Brazil barely a thousand of them were literate Hardly any stories of the enslaved and transported Africans have survived This novel is an attempt to recreate just one of those stories one story of a possible 12 million or more Lawrence Hill created another in The Book of Negroes Someone Knows my Name in the U S and more recently Yaa Gyasi has done the same in Homegoing Ama occupies center stage throughout this novel As the story opens she is sixteen Distant drums announce the death of her grandfather Her family departs to attend the funeral leaving her alone to tend her ailing baby brother It is 1775 Asante has conquered its northern neighbor and exacted an annual tribute of 500 slaves The ruler of Dagbon dispatches a raiding party into the lands of the neighboring Bepokpam They capture Ama That night her lover Itscho leads an attack on the raiders camp The rescue bid fails Sent to collect water from a stream Ama comes across Itscho's mangled corpse For the rest of her life she will call upon his spirit in time of need In Kumase the Asante capital Ama is given as a gift to the Queen mother When the adolescent monarch Osei Kwame conceives a passion for her the regents dispatch her to the coast for sale to the Dutch at Elmina Castle There the governor Pieter de Bruyn selects her as his concubine dressing her in the elegant clothes of his late Dutch wife and instructing the obese chaplain to teach her to read and write English De Bruyn plans to marry Ama and take her with him to Europe He makes a last trip to the Dutch coastal outstations and returns infected with yellow fever On his death his successor rapes Ama and sends her back to the female dungeon Traumatized her mind goes blank She comes to her senses in the canoe which takes her and other women out to the slave ship The Love of Liberty Before the ship leaves the coast of Africa Ama instigates a slave rebellion It fails and a brutal whipping leaves her blind in one eye The ship is becalmed in mid Atlantic Then a fierce storm cripples it and drives it into the port of Salvador capital of Brazil Ama finds herself working in the fields and the mill on a sugar estate She is absorbed into slave society and begins to

adapt learning Portuguese Years pass Ama is now totally blind Clutching the cloth which is her only material link with Africa she reminisces dozes falls asleep A short epilogue brings the story up to date The consequences of the slave trade and slavery are still with us Brazilians of African descent remain entrenched in the lower reaches of society enmeshed in poverty This is story telling on a grand scale writes Tony Sim es da Silva In Ama Herbstein creates a work of literature that celebrates the resilience of human beings while denouncing the inscrutable nature of their cruelty By focusing on the brutalization of Ama s body and on the psychological scars of her experiences Herbstein dramatizes the collective trauma of slavery through the story of a single African woman Ama echoes the views of writers historians and philosophers of the African diaspora who have argued that the phenomenon of slavery is inextricable from the deepest foundations of contemporary western civilization Ama a Story of the Atlantic Slave Trade won the 2002 Commonwealth Writers Prize for the Best First Book

African Americans and others in the African diaspora have increasingly come home to Africa to visit the sites at which their ancestors were enslaved and shipped. In this nuanced analysis of homecoming, Katharina Schramm analyzes how a shared rhetoric of the Pan African family is produced among African hosts and Diasporan returnees and at the same time contested in practice. She examines the varying interpretations and appropriations of significant sites, e.g., the slave forts, events, e.g., Emancipation Day, and discourses, e.g., repatriation in Ghana, to highlight these dynamics. From this, she develops her notions of diaspora, home, homecoming, memory, and identity that reflect the complexity and multiple reverberations of these cultural encounters beyond the sphere of roots tourism.
