A View From The River The Chicago Architecture Foundation River Cruise:

A View from the River Jennifer Marjorie Bosch, 2017 The story of Chicago is the story of its river A View from the River is an essential guide to more than 60 significant buildings and structures along the Chicago River This visual tour filled with stunning contemporary photography and a variety of historical images serves as a companion to the Chicago Architecture Foundation River Cruise aboard Chicago's First Lady Cruises Since Chicago was founded in the 1830s architects and engineers have designed this city through a series of unforgettable engineering marvels from the buildings of the Chicago skyline to the Chicago River itself The river though a natural feature has been dredged straightened and even had its direction reversed in the past 200 years Today the river flows through a canyon of skyscrapers civic structures waterside homes and parks As the city grows and changes the river and our understanding of it changes as well Now in its third edition A View from the River is updated to reflect the city's latest developments and to further explore Chicago's past present and future *A View from the River* Jay Pridmore, 2000 The full page layout of photographs by architectural photographer Hedrich Blessing which show the magnificent skyscrapers of Chicago in a variety of complementary light conditions reproduce the popular Chicago Architecture Foundation tours An informative text accompanies the photos on the facing

A View from the River Jay Pridmore, 2000 *Understanding Tall Buildings* Kheir Al-Kodmany, 2017-02-17 In recent years the rapid pace of tall building construction has fostered a certain kind of placelessness with many new tall buildings being built out of scale context and place By analyzing hundreds of tall buildings and by providing hundreds of visuals that inspire stimulate and engage Understanding Tall Buildings contends that well designed tall buildings can rejuvenate cities ignite economic activity support social life and boost city pride Although this book does not claim to possess all the solutions it does propose specific tall building design guidelines that may help to promote placemaking Through this work it is the author's hope that ill conceived developments will become less common in the future and that good placemaking will become the norm not the exception This book is a must read for students and practitioners working to create better tall buildings and better urban environments **The Chicago River** Jonathan Genzen, 2007 Calling upon his considerable novelistic skills

Loren D Estleman exposes the black heart of a seemingly stable well run city suddenly pitched into violence and chaos A delicate balance of forces greed and corruption ambition and desire run out of control in the wake of a serial killer's grisly rampage A power struggle between a police chief who has looked the other way for too long a Mafia boss who holds the city's vices in his powerful grasp and media reporters looking for a big story turns what has been a minor dispute into a desperate struggle for survival Setting this drama in a blue collar metropolis dominated by an oil company Estleman with an unerring eye for telling detail and an ear for dialogue that reveals the secret desires of his characters crafts a fascinating deadly tapestry of love ambition revenge and redemption a stunning portrait of the human condition *Jazz Age Chicago: Crucible of Modern America* Joseph Gustaitis, 2022 When people imagine 1920s Chicago they usually and justifiably think of Al Capone

speakeasies gang wars flappers and flivvers Yet this narrative overlooks the crucial role the Windy City played in the modernization of America The city s incredible ethnic variety and massive building boom gave it unparalleled creative space as design trends from Art Deco skyscrapers to streamlined household appliances reflected Chicago s unmistakable style The emergence of mass media in the 1920s helped make professional sports a national obsession even as Chicago radio stations were inventing the sitcom and the soap opera Join Joseph Gustaitis as he chases the beat of America s Jazz Age back to its jazz capital Page 4 of cover
