Calloway, 2025-11-25 A number of Black writers have drawn inspiration from the biblical tale of the expulsion from

paradise In this deeply interdisciplinary and poetically written book Jamall A Calloway explores the presence of Eden and the aftermath of the Fall in works by James Baldwin Toni Morrison Richard Wright and Alice Walker In reflecting on Eden he contends these writers rethought what paradise could mean in the face of the catastrophes of the Black experience By placing key novels in conversation with major religious thinkers Calloway shows how Black writers adopted Edenic motifs to rebut orthodox interpretations of Genesis with striking theological implications He argues that Baldwin s Giovanni s Room counters St Paul s proclamations on the mortification of the flesh reads Morrison s Paradise against St Augustine s City of God as a challenge to the exclusions of the Garden of Eden investigates Wright s use of S ren Kierkegaard s interpretation of Adam in The Outsider and demonstrates how Walker s The Color Purple and Catholic theologian Ivone Gebara offer a radical reconceptualization of the serpent in Genesis The book concludes with a reflection on Lucille Clifton s poetry Revealing the richness of Black writers engagement with theology Imagining Eden is a profoundly original consideration of literature and liberation God and humanity

Because of Eve Joseph E. Early, Jr., 2022-10-15 Because of Eve is a thorough examination of how the Church and Christian men sought to define women and the roles women must play within the church home and society for more than two thousand years The book examines the works of theologians decrees of councils canon law statements of faith and a myriad of other pronouncements that affected their generation and the following generation s beliefs concerning women Each chapter considers the era in which these beliefs were voiced as much of what was accepted as orthodoxy was reflected in or based on cultural beliefs WORDS OF PRAISE This important study surveys the roles of women roles often assigned to them by men through both biblical testaments and across Christian history to the contemporary church It is a significant research resource for understanding historical theological spiritual and cultural interactions between males and females and the religious dogmas that influenced and divided them Bill J Leonard Emeritus Professor of Divinity Wake Forest University Joseph Early has meticulously researched the primary sources throughout the history of the Church to show definitively how men for their own purposes have used the Bible to categorize and define women Early then goes further to show how these erroneous and unbiblical beliefs are reflected and amplified in some modern day theologies and practices As an observer of this six year long research project I can attest to the author s innate dedication and fidelity to the task of showing how God s word is not detrimental to women but instead uplifts them as co heirs with Christ and indeed on equal ground with their brothers in Christ Twyla K Hernandez Professor of Missions Campbellsville University Joseph Early s Because of Eve Historical and Theological Survey of the Subjugation of Women in the Christian Tradition is an incredibly useful compendium of Christian men s beliefs about women across church history With careful detail and ample primary source evidence Early demonstrates how for most of church history men have offered biblical interpretations and constructed misogynistic theologies that maintain and reproduce the subordination of women This volume will be helpful for academics

and general readers alike for its comprehensive documentation of the treatment of women in men's thinking and writing from biblical times until the present Susan M Shaw Professor of Women Gender and Sexuality Studies Oregon State University
