A Slant Of Light The Lust Diaries:

A Diary of Altered Light James Applewhite, 2006-05-01 These poems record the partly predictable partly random representative days in a year that inspire wonder at their swiftness Seasonal time is reflected in the changing angle of sunlight and familial time is marked by birthdays and holiday celebrations Public events take on both a sense of history and a sense of unreality in the bright glare of media attention and shiny celebrity surfaces All the various time orders in which we live overlay one another a red leaf adrift in a stream is emblematic of autumn's recurrence after years of marriage a couple's wedding suddenly seems very close Spurred by the sensation of accelerating days at the turn of the new millennium James Applewhite explores the interplay of immediate experience and lasting memory of continuity and change over time that elusive ineffable yet crucial medium of self definition and of understanding the cosmos Wild Horse Diaries Lizzy Spender, 2011-11-01 From a helicopter skimming above the trees in the immense outback of Western Australia Lizzie Spender looked out and saw wild horses galloping below She fell in love with a chestnut colt with a crooked white blaze She was told she could take it home if she could find it catch it and tame it a virtually impossible quest This offer would fulfil her dream of a lifetime but there were obstacles at every turn As Lizzie discovered finding the horse again was only the start of the story Cries from Casement as His Bones are Brought to Dublin David Rudkin, British Broadcasting Corporation, 1974 A portrait of Sir Roger Casement **In Her Closet** Tasha L. Harrison, 2016-06-14 Entertainment columnist Yves Santiago unapologetically lives her life as carelessly as a man Her day job keeps her flush in men with few regrets and even fewer mistakes By night she details her exploits on her anonymous sex blog Lust Diaries Yves leads a happy delightfully filthy life Until she meets nonfiction editor Elijah Weinstein Moss green eyes sun kissed shoulders and a mouth so damn sensual that it should have a NC 17 rating this perfectly suited and coiffed Fifth Avenue prince is everything she never wanted yet can't resist He methodically lays waste to the walls she's built around herself looking to get closer to the real Yves Santiago With the promise of a fairytale turned real Yves must dig into the depths of her past But once she shakes out the skeletons in her closet will she be ready for all Elijah has to offer **The Book Review Digest**, 1967 *New York Magazine*, 1988-11-07 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea The Scarlet Spy Andrea Pickens, 2008-10-01 They were once orphans from London's roughest slums Now they are students of Mrs Merlin's Academy for Select Young Ladies learning the techniques of spying and seduction Bold beautiful and oh so dangerous they are England's ultimate secret weapons The most ladylike of Merlin's Maidens Sofia possesses a natural grace and grandeur to go along with her deadly arsenal of martial skills which makes her the perfect choice for a

dangerous assignment to investigate rumors of government corruption She must spin through the glittering ballrooms of Mayfair and the sinister back alleys of the city in search of the truth One misstep on her part could prove fatal as she works to unravel the tangled web of deceit but keeping the sinfully sexy Deverill Osborne at arm s length is a real test of her mettle Handsome witty and charming Osborne is the darling of the ton So when he is asked by the Marquess of Lynsley to introduce a lovely young Italian contessa into Society he is only too happy to oblige however he soon has suspicions about the contessa When he catches her stealing valuables from a gentleman s study should he believe the worst Or should he trust the tantalizing murmur of her words and the sultry sensuous whispers of her body To unmask the conspirators Sofia and Osborne will overcome hidden dangers including their own growing passion which may be the most dangerous force of all The Architect and Contract Reporter ,1893 **New York Times Saturday Review of Books and Art** ,1936 *The Bulletin* ,1990 The National Jewish Monthly ,1936 **Modern Age** ,1962 To-day's Cinema News and Property Gazette ,1943 **New York** ,1988-11 The New York Times Review of Books ,1968 Library Occurrent ,1975 Index to newspapers in each no beginning with Mar 1908 **Modern British Literature** Laurie Di Mauro,2000 Arranged alphabetically from H Rider Haggard to Wilfred Owen this volume provides critical excerpts and analyses from a variety of sources on the work of significant modern British authors *Arts Digest* ,1977 **International Books in Print** ,1987 Cue ,1970
