

The Gospel according to Joseph Patrick Booker,

MINOR

as interpreted by his faithful scribe, Barth Flynn.

PROPHET

a novel JAMES BERNARD FROST

BECKING A RECKONING OF DEEP AIR, Frost pedals his verbal bicycle into the belly of the Beast, only to return bearing a brand-new Gospel illuminated with Voodoo cream and composed in the edgy vernacular of Portland's thriving freak scene.

A Very Minor Prophet

John Calvin

A Very Minor Prophet:

A Very Minor Prophet Dana Armstrong, 2006-03 The author has provided a clear prophetic call to God's people by addressing some difficult issues that most would not dare address Christian **The Minor Prophets** Paul Kleinert, Otto Schmoller, George R. Bliss, Talbot W. Chambers, Charles Elliott, John Forsyth, J. Minor Prophets Henry Cowles, 1867 **Commentary on the Minor Prophets** John Calvin, Commentaries on Hosea Joel Amos Obadiah Jonah Micah Nahum Habakkuk Zephaniah Haggai Zechariah Malachi For hundreds of years John Calvin's Commentaries have been admired and relied upon for their deep insights into Scripture Charles Spurgeon told his students It would not be possible for me too earnestly to press upon you the importance of reading the expositions of that prince among men John Calvin Of all commentators I believe John Calvin to be the most candid He was no trimmer and pruner of texts He gave their meaning as far as he knew it His honest intention was to translate the Hebrew and the Greek originals as accurately as he possibly could and then to give the meaning which would naturally be conveyed by such Greek and Hebrew words he laboured in fact to declare not his own mind upon the Spirit's words but the mind of the Spirit as couched in those words And even Arminius himself admitted Next to the perusal of the Scriptures which I earnestly inculcate I exhort my pupils to peruse Calvin's commentaries for I affirm that he excels beyond comparison in the interpretation of Scripture and that his commentaries ought to be more highly valued than all that is handed down to us by the Library of the Fathers so that I acknowledge him to have possessed above most others or rather above all other men what may be called an eminent gift of prophecy **Commentaries on the Twelve Minor Prophets** Jean Calvin, 1846 The Minor Prophets Craig G.

Bartholomew, Heath A. Thomas, 2023-09-19 In this unique introduction to the Minor Prophets two biblical scholars survey the twelve books and explore the theological themes of each Filled with helpful exegetical insights this book is an invaluable guide for students pastors and scholars looking for a cohesive exploration of these often overlooked books of the Hebrew Bible Commentaries on the Twelve Minor Prophets, Volume 1 John Calvin, 2024-07-01 **Commentaries on the**

Expositions of Holy Scripture Ezekiel, Daniel, and the Minor Prophets. St Matthew Chapters I to VIII Alexander Maclaren, Then said He unto me Son of man hast thou seen what the ancients of the house of Israel do in the dark every man in the chambers of his imagery EZEKIEL viii 12 This is part of a vision which came to the prophet in his captivity He is

carried away in imagination from his home amongst the exiles in the East to the Temple of Jerusalem There he sees in one dreadful series representations of all the forms of idolatry to which the handful that were left in the land were cleaving There meets him on the threshold of the court the image of jealousy the generalised expression for the aggregate of idolatries which had stirred the anger of the divine husband of the nation Then he sees within the Temple three groups representing the idolatries of three different lands First those with whom my text is concerned who in some underground room vaulted and windowless were bowing down before painted animal forms upon the walls Probably they were the representatives of Egyptian worship for the description of their temple might have been taken out of any book of travels in Egypt in the present day It is only an ideal picture that is represented to Ezekiel and not a real fact It is not at all probable that all these various forms of idolatry were found at any time within the Temple itself And the whole cast of the vision suggests that it is an ideal picture and not reality with which we have to do Hence the number of these idolaters was seventy the successors of the seventy whom Moses led up to Sinai to see the God of Israel And now here they are grovelling before brute forms painted on the walls in a hole in the dark Their leader bears a name which might have startled them in their apostasy and choked their prayers in their throats for Jaazan iah means the Lord hears Each man has a censer in his hand self consecrated priests of self chosen deities Shrouded in obscurity they pleased themselves with the ancient lie The Lord sees not He hath forsaken the earth And then into that Sanhedrim of apostates there comes all unknown to them the light of God s presence and the eye of the prophet marks their evil
