early twentieth century Americans and what impact these conceptions and the growing presence of Anglos had on Indians in the region Popular writers like Jackson and Lummis presented the American Indians as a primitive culture waiting to be discovered and experienced firsthand Later as Padgett shows Anglo activists for Indian rights such as Mabel Dodge Luhan and Mary Austin worked for the acceptance of other views of Native Americans and their cultures **Letters from the Southwest, September 20, 1884 to March 14, 1885** Charles Fletcher Lummis, 1989 Lummis other set of letters to the Los Angeles times are well known as the basis for his A Tramp across the continent Chas Scribner s Sons 1892 These are the 24 letters written to the Chillicothe Leader They are more robust than the Times versions which were more deliberately crafted more commercial An essential for Western collections Annotation copyrighted by Book News Inc Portland OR
