With hopes of finding another mate, he attends a mating party and finds the fates aren't done with him yet. An Earth woman captures his heart with one flash of her endearing smile and the open ability to laugh at herself. Dharma Volgi's time at a military rehab center is almost over, and she's close to gaining her freedom. Complete the assignment and get out. It's all she can think about in order to survive. Until him. She's helped soldier after soldier during their time at CV 8, but none caught her attention like the Jutak warrior from Enotia. Now she has a new mission: don't fall in love. With danger looming on the horizon and betrayal around the corner, will their hearts survive the aftermath? Claiming His Unexpected Baby Michelle Howard, His baby. Not possible. Assassin Sulen Czen wouldn't trust a woman outside the bonding vow to bear his child, and he had no plans on settling down any time soon. Until the day pain and terror, unlike anything he'd ever known before, resonated along a connection that shouldn't exist. Now he's willing to fight for the family he didn't know he had or needed. Her mate's actions have consequences, and falling in love with the wrong man was just the first mistake of many. After the man she loved denied the baby she carried and threatened her life, Amelie Haven did something she knew was wrong. Now she has to deal with an assassin who's stolen her heart and a cruel ex who won't stay out of her life. Both are claiming her daughter as their own. Amelie would do whatever it took to protect her child. Even if it meant pretending a relationship that shouldn't even be possible. **The Unexpected Bonding Vow** Michelle Howard, Mated No Never.
