Himanshu Ranjan, 2019-01-17 36 Love Stories is an attempt to break the stereotypes that cluster around the emotion called love Love has no one definition and it can t be limited to only one dimension of teenage love or conjugal love It can be very ordinary fleeting and yet a fragment of our soul This anthology is a collection of such short stories based on a common theme Anything any activity any person or living being that who makes life passionate and meaningful To be all inclusive this book should be better named as Infinite Love Stories but isn t love infinite in it qualitatively To ponder more on such questions let s embark on a journey to discover the infiniteness of love contained in our finite passionate tales Literature & the Learner

Frances S. Goforth, 1998 As a genre text not an anthology this text teaches students about literature forms and discusses ways of using literature in the classroom It is used to give students the background they need to evaluate select and use children s literature in their own teaching A database of current literature is provided with the text and will be updated
