grief and sisterhood from the author of the brilliant tender and riveting John Dufresne author of *I Don't Like Where This Is Going* The Winters in Bloom She can hear the music in people's souls Mary Beth and her younger sister Leeann are trying to support themselves in their small Southern hometown Mary Beth works to make ends meet by practicing her own unique talent song reading By making sense of the song lyrics people have stuck in their heads Mary Beth can help people make sense of their lives In no time Mary Beth's readings have the entire town singing her praises including the handsome scientist Ben who falls hard for Mary Beth and her unearthly intuition What happens when she can't make out the lyrics When Mary Beth reveals a long muted secret in the community however she turns off the music and gives up song reading for good Soon everyone's lives are out of tune Leeann worries she'll never graduate from high school and Ben can't conduct his experiments Without Mary Beth's music the town's silence is louder than ever Could it be that all the lyrics to all those foolish love songs really aren't so foolish after all

*Listen to the Heron's Words* Gloria Goodwin Raheja, Ann Grodzins Gold, 1994-04-29 In many South Asian oral traditions herons are viewed as duplicitous and conniving These traditions tend also to view women as fragmented identities dangerously split between virtue and virtuosity between loyalties to their own families and those of their husbands In women's songs however symbolic herons speak telling of alternative moral perspectives shaped by women The heron's words and women's expressive genres more generally criticize pervasive North Indian ideologies of gender and kinship that place women in subordinate positions By inviting readers to listen to the heron's words the authors convey this shift in moral perspective and suggest that these spoken truths are compelling and consequential for the women in North India The songs and narratives bear witness to a provocative cultural dissonance embedded in women's speech This book reveals the power of these critical commentaries and the fluid and permeable boundaries between spoken words and the lives of ordinary village women
