31 Days of Praying God's Wisdom for My Children Hope McCardy, 2016-08-15

God wants to bless our children with an abundance of wisdom. He greatly desires for them to be wise and knowledgeable whether they have to deal with simple or complex circumstances at home, in school, with friends, or even when they are just sitting around and having fun. God is eager to anoint them with the ability to be aware, alert, and balanced in the running of their young lives. He so wants to bless our children with the Fruit of the Spirit, helping them to pursue excellence in daily living by planting good seed in fertile soil to bring honor and glory to His name. Our gracious Lord has fashioned mothers to be tender and loving yet firm, natural nurturers of their children. He uses us as moms to assist Him in the shaping of our precious offspring. For He knows that left to themselves, our kids are prone to being selfish, self-centered persons who have the natural tendency to do perpetually silly, unproductive things. Their minds can become consumed with what is right for them, what they want for themselves, what makes them feel satisfied, what they should be entitled to, or what they think they deserve. And society often promotes and encourages such vain mindsets. Youngsters today are growing up in a typically I-consumed nation. Let's face it: choosing to live selfishly is natural. Living wisely, on the other hand, is something one has to be proactive and intentional about something that has to be taught and instilled. In other words, our children need help. Our little ones especially need God's help if they are to succeed in making wise decisions for the many concerns in their lives, but they also need our assistance. In the midst of such an unhealthy standard of living, moms are challenged to groom and foster positive growth in their offspring. 31 Days of Praying God's Wisdom for My Children is a prayer book that focuses on insights gathered from a selected verse or verses from every chapter of the book of Proverbs. It is written as a prayer guide to support and help mothers who, in this ambiguous culture, genuinely desire God to fill their children with His wisdom, enabling them to live holy, God-honoring lives and bringing strength, direction, and stability to their daily walk. The great need for wise insight is highlighted over and over again in the book of Proverbs. This book teaches us honest truths about how to use wisdom in watching what we say and do and how we should treat others. It gives us sound principles for living holy and devout lives that bring honor and glory to God. It uses words like wisdom, knowledge, understanding, and instruction again and again to assist us in gaining a God perspective for any given situation in life. The book of Proverbs indeed gives us instructions on how to grow in wisdom. This devotional book will encourage all of us as moms to take out 31 days of focused time seeking God in prayer for His wisdom, His guidance, and

His direction for the many concerns and situations in the lives of our children It will inspire mothers to look to His Word in the book of Proverbs and to pray that God's Word would take root in our posterity strengthening them so that they can apply His insights to their daily lives This prayer book also seeks to inspire women to take time out to listen to God and to journal Wisdom Notes any directives or insights He imparts to them concerning their children Most of all it strives to inform us determined moms that we are not alone that indeed many others will be taking this exciting journey with us praying persistently for our youngsters and gleaning God's perfect plan and vision for their lives 31 Days of Praying God's Wisdom for My Children encourages mothers to pray for our precious children to grow in wisdom day by day We pray God answers
