V: Is It A Love Story? Joey Salazar, 2017-03-09 Things have taken a surprising turn for Jason and his companions Now that he s found out the ultimate truth what is to become of him Martian Short Stories II Cliff Rhodes, 2017-03-24 HARDCOVER PRINT MARTIAN SHORT STORIES II is another group of stories about mentally exceptional beings maybe alien maybe not They all could be from another world or born right here on Earth **For the Love of Hatred** Gregory Alan, Scott Dubay, 2020-07-31 Jason is not himself lately basal urges casual encounters late nights Life has hardened his heart and he can t seem to escape the tragedies of his past He knows what triggered the disconcerting changes but he feels powerless to stop the de evolution process Fortunately Todd Jason s best friend since childhood feels differently Todd won t accept acquiescence He refuses to watch Jason spiral downward and is determined to set things back on track Little does he know however there are other players deeply involved in the scenario unlikely friends unsuspecting strangers and sinister foes working for and against his valiant efforts Come Join Jason Todd Greg and Elizabeth as they unwittingly join forces to triumph over violence defying all odds to iron out an inequitable wrinkle in fate Follow them through a twisted adventure that will keep your heart and mind racing right up to the thrilling climactic conclusion that is both surprising and intense See how the lives of these ordinary people are forever changed as the tangible and the metaphysical collide to make right a destiny gone horribly wrong A gay love story Yes Another age old tale of good versus evil Yes again The same ol thing Definitely not For the Love of Hatred is a story that chronicles the love loss de evolution and inevitable re evolution of a young gay man named Jason the main character Initially it might appear to be just another story about friends and relationships however as the plot develops it becomes apparent that these more common themes are employed as the foundation through which the story delves into much deeper issues of intolerance hatred and violence illustrating sometimes quite graphically beware of chapter 3 it is quite intense how senseless acts of hatred and violence can have cumulative

rippling far reaching devastating effects not only on the immediate victims but also on a vast seemingly unrelated group Sounding somewhat dark and bleak It really is anything but For the Love of Hatred is a good balanced mixture of heartache wit humor and thought provoking dialogue It s a story of hope love character conscience and courage a multi faceted work of gay genre fiction that reaches out to all segments of the gay community and even into factions of the straight community
