## Alex Ferguson :

**ALEX FERGUSON: My Autobiography** Alex Ferguson, 2013-10-24 The Million Copy Bestseller Sir Alex Ferguson's reflects on his remarkable managerial career where he embraced unprecedented European success for Aberdeen and 26 triumphant seasons with Manchester United. What readers are saying about Alex Ferguson's *My Autobiography*: The greatest manager of a generation. No matter the team you support this is a must read. Incredible. I couldn't put it down. \_\_\_\_\_ For over two decades Sir Alex Ferguson dominated the Premier League overseeing a sustained and unparalleled period of success with Manchester United. He was a visionary able to move with the times and build title winning teams both on and off the pitch. He was a man manager of phenomenal skill and increasingly he had to deal with global stars. His relationship with Cristiano Ronaldo for instance was excellent and David Beckham has described Sir Alex as a father figure. In his bestselling autobiography Sir Alex reflects on the highlights of his extraordinary career and reveals his remarkable story from his very early days in the tough shipyard areas of Govan to winning the Champions league in Moscow in 2008. Revised and updated this edition offers reflections on events at Manchester United since his retirement and offers fresh insights and details on his final years as United's manager. \_\_\_\_\_ Fascinating. Evening Standard. His book is really a piece of oral history and his life is a conduit to a time when a working class man of talent could not by the magical alchemy of elite education or the stardust of celebrity but by a lifetime of hard work and hard thinking rise to the very top and flaws aside remain true to the best of the world he came from. Guardian.

**The Boss** Michael Crick, 2003 Ferguson's own autobiography was a great bestseller on its publication in 1999. But Fergie's book told the story through only one pair of eyes. Now Michael Crick, acclaimed biographer of Jeffrey Archer, writes the first fully rounded independent portrait of Sir Alex. From his roots as a Govan trade unionist to the current peaks of world football, Crick applies the same forensic skills he applied to his study of the disgraced Tory peer. Through hundreds of interviews with those who've known and worked with Sir Alex and delving back through the archives, Michael Crick explores the money and the politics of football, the bust ups, the fights and those memorable moments of glory. Charismatic and charming, volcanic and ruthless, searingly ambitious and astonishingly successful. What makes Sir Alex Ferguson tick? How did this complex character become the most successful manager in British football, producing first at Aberdeen and now at Manchester United, two of the most prolific trophy grabbing machines in the modern game? **THE BOSS** is essential reading not just for Manchester United fans and football followers in general but for anyone interested in the skills of successful management.
