prairie with its traces of roads veering around the flat marshlands and a vast sky that lifted her soul At twelve years of age Georgia had a defining moment when she declared I want to be an artist Years later from her east facing window in Canyon Texas she observed the Texas Panhandle sky with its focus points on the plains and a great canyon of earth history colors streaking across the flat land Georgia s love of the vast colorful prairie plains and sky again gave definition to her life when she discovered Ghost Ranch north of Abiquiu New Mexico She fell prey to its charms which were not long removed from the echoes of the Wild West These views of prairie plains and sky became Georgia s muses as she embarked on her step by step path with her role models Alon Bement Arthur Jerome Dow and Wassily Kandinsky In this two part biography of which this is Part I covering the period 1887 1945 Nancy Hopkins Reily walks the Sun Prairie Land as if in Georgia s day as a prologue to her family s friendship with Georgia in the 1940s and 1950s Reily chronicles Georgia s defining days within the arenas of landscape culture people and the history surrounding each a discourse level that Georgia would easily recognize NANCY HOPKINS REILY was a classic outdoor color portraitist for more than twenty years and has taught portrait workshops at Angelina College in Lufkin Texas where she had a one woman show of her portraits Her advance studies included an invitational workshop with Ansel Adams Reily graduated from Southern Methodist University and lives in Lufkin Texas She is also the author of Classic Outdoor Color Portraits and Joseph Imhof Artist of the Pueblos both from Sunstone Press

Georgia O'Keeffe Lisa Mintz Messinger, 2023-03-13 Georgia O'Keeffe 1887-1986 was a major figure in American art for seven decades Throughout that long and prolific career she remained true to her unique artistic vision creating a highly individual style that synthesized the formal language of modern European abstraction and the themes of traditional American pictorialism The main subjects to which she returned again and again were the flowers animal bones and the landscapes around her studios in Lake George New York and finally New Mexico with which she has been ultimately identified This comprehensive and illuminating book by a noted scholar on O'Keeffe and her work surveys the complete oeuvre drawings watercolours and paintings from all periods and explains her life in the context of her artistic output Now revised with updated bibliography this edition features colour reproductions of artworks throughout
