American Sniper San Antonio:

Life of American Snipers: Chris Kyle and the Rest of the Elite Snipers Mark Dawn, 2015-02-27 American snipers have gained increased popularity after the production of the movie American Sniper based on the life of Chris Kyle who served as a sharp shooter in Iraq consecutively for about four periods Sharp shooter is the less common term to describe snipers whose role in history started in the World War Famous snipers have since emerged forming part of the elite Navy Seals While some people refer to snipers as cowards because they do seem to not be actively engaged in combat they have been hailed as heroes due to the reduced misses during combat and the flexibility of their attack to rely on stealth American snipers have played a huge role in eliminating some of the terrorists bent on causing terror around the world Snipers are originally meant to increase the chances of winning a war They do this by neutralizing the most dangerous people in war from a concealed distance and thereby serve to provide an advantage to their side Sea to Shining Sea: The Mexican American War and the Manifest Destiny Jack White, 2011-07-13 Sea to Shining Sea The Mexican American War and the Manifest Destiny is a stand alone sequel to Jack White s historical novel Ten Years In Texas Sea to Shining Sea is set during the years 1846 to 1848 and covers the bloody war between the two major North American powers Jack deals with the deception and backstabbing on both sides of the Rio Grande along with the heroic efforts of individuals who braved their lives for the Manifest Destiny Written with the nail biting excitement of a novel Sea to Shining Sea is historically accurate down to the weapons used on each side By the end of the war the United States extended from the Atlantic to the Pacific Ocean with President James K Polk doubling America s landmass during his four years in the Oval Office If you enjoy history you will love Sea to Shining Sea This historical novel is crammed full of interesting tidbits and information not found in any books covering this important moment in America s colorful past Focus On: 100 Most Popular American Autobiographers Wikipedia contributors, Archibald Yell (c) William W. Hughes, 1988 **LBJ and Mexican Americans** Julie Leininger Pycior, 2010-07-05 Masterfully researched There is no book like this either in the field of LBJ literature or in the field of Chicano history Mario T Garc a author of Mexican Americans Leadership Ideology and Identity 1930 1960 As he worked to build his Great Society Lyndon Johnson often harkened back to his teaching days in the segregated Mexican school at Cotulla Texas Recalling the poverty and prejudice that blighted his students lives Johnson declared It never occurred to me in my fondest dreams that I might have the chance to help the sons and daughters of those students and to help people like them all over this country But now I do have that chance and I ll let you in on a secret I mean to use it This book explores the complex and sometimes contradictory relations between LBJ and Mexican Americans Julie Pycior shows that Johnson s genuine desire to help Mexican Americans and reap the political dividends did not prevent him from allying himself with individuals and groups intent on thwarting Mexican Americans organizing efforts Not surprisingly these actions elicited a wide range of response from grateful loyalty to in some cases outright opposition Mexican Americans complicated

relationship with LBJ influenced both their political development and his career with consequences that reverberated in society at large
