Philip K. Dick

WITH AN INTRODUCTION BY JAMES TRIPTREE, JR.

The Minority Report By Philip K Dick

Slavoj Zizek

The Minority Report By Philip K Dick:

Minority Report Philip K Dick, 2014-09-30 Imagine a future where crimes can be detected before they are committed and criminals are convicted and sentenced for crimes before committing them This is the scenario of Philip K Dick's classic story now filmed by Steven Spielberg starring Tom Cruise In addition to MINORITY REPORT this exclusive collection includes nine other outstanding short stories by the twentieth century's outstanding SF master three of which have been made into feature films

Minority Report Philip K. Dick, 2002 Imagine a future where crimes can be detected before they are committed and criminals are convicted and sentenced for crimes before committing them This is the scenario of Philip K Dick's classic story now filmed by Steven Spielberg starring Tom Cruise In addition to Minority Report this exclusive collection includes nine other outstanding short stories by the twentieth century's outstanding SF master three of which have been made into feature films

The Minority Report Philip K. Dick, 1991

The Minority Report Philip K. Dick, 1991 This collection Vol 4 covers the years 1954 1964 and includes such fascinating stories as Service Call Stand By The Days of Perky Pat and many others

The Collected Stories of Philip K. Dick: The minority report Philip K. Dick, 1990

The Parallax View Slavoj Zizek, 2009-02-13 In i ek's long awaited magnum opus he theorizes the parallax gap in the ontological the scientific and the political and rehabilitates dialectical materialism The Parallax View is Slavoj i ek's most substantial theoretical work to appear in many years i ek himself describes it as his magnum opus Parallax can be defined as the apparent displacement of an object caused by a change in observational position i ek is interested in the parallax gap separating two points between which no synthesis or mediation is possible linked by an impossible short circuit of levels that can never meet From this consideration of parallax i ek begins a rehabilitation of dialectical materialism Modes of parallax can be seen in different domains of today's theory from the wave particle duality in quantum physics to the parallax of the unconscious in Freudian psychoanalysis between interpretations of the formation of the unconscious and theories of drives In The Parallax View i ek with his usual astonishing erudition focuses on three main modes of parallax the ontological difference the ultimate parallax that conditions our very access to reality the scientific parallax the irreducible gap between the phenomenal experience of reality and its scientific explanation which reaches its apogee in today's brain sciences according to which nobody is home in the skull just stacks of brain meat a condition i ek calls the unbearable lightness of being no one and the political parallax the social antagonism that allows for no common ground Between his discussions of these three modes i ek offers interludes that deal with more specific topics including an ethical act in a novel by Henry James and anti anti-Semitism The Parallax View not only expands i ek's Lacanian Hegelian approach to new domains notably cognitive brain sciences but also provides the systematic exposition of the conceptual framework that underlies his entire work Philosophical and theological analysis detailed readings of literature cinema and music coexist with lively anecdotes and obscene jokes

Philip K. Dick and Philosophy D. E. Wittkower, 2011-10-17 Science fiction writer Philip K Dick 1928 1982 is the giant

imagination behind so much recent popular culture both movies directly based on his writings such as Blade Runner based on the novel Do Androids Dream of Electric Sheep Total Recall Minority Report and The Adjustment Bureau plus cult favorites such as A Scanner Darkly Imposter Next Screamer and Paycheck and works revealing his powerful influence such as The Matrix and Inception With the publication in 2011 of volume 1 of Exegesis his journal of spiritual visions and paranoid investigations Dick is fast becoming a major influence in the world of popular spirituality and occult thinking In Philip K Dick and Philosophy thirty Dick fans and professional thinkers confront the fascinating and frightening ideas raised by Dick's mind blowing fantasies Is there an alien world behind the everyday reality we experience If androids can pass as human should they be given the same consideration as humans Do psychotics have insights into a mystical reality Would knowledge of the future free us or enslave us This volume will also include Dick's short story Adjustment Team on which The Adjustment Bureau is based Philip K Dick and Philosophy explores the ideas of Philip K Dick in the same way that he did with an earnest desire to understand the truth of the world but without falsely equating earnestness with a dry seriousness Dick's work was replete with whimsical and absurdist presentations of the greatest challenges to reason and to humanity paradox futility paranoia and failure and even at his darkest times he was able to keep some perspective and humor as for example in choosing to name himself Horselover Fat in VALIS at the same time as he relates his personal religious epiphanies crises and delusions With the same earnest whimsy we approach Philip K Dick as a philosopher like ourselves one who wrote almost entirely in thought experiments and semi-fictional world building but who engaged with many of the greatest questions of philosophy throughout the Euro American tradition Philip K Dick and Philosophy has much to offer for both serious fans and those who have recently learned his name and realized that his work has been the inspiration for several well known and thought provoking films Most chapters start with one or more of the movies based on Dick's writing From here the authors delve deeper into the issues by bringing in philosophers perspectives and by bringing in Dick's written work The book invites the reader with a casual familiarity with Dick to get to know his work and invites the reader with little familiarity with philosophy to learn more New perspectives and challenging connections and interpretations for even the most hard core Dick fans are also offered To maximize public interest the book prominently addresses the most widely known films as well as those with the most significant fan followings Blade Runner Total Recall Minority Report A Scanner Darkly and The Adjustment Bureau Along with these big five films a few chapters address his last novels especially VALIS which have a significant cult following of their own There are also chapters which address short stories and novels which are currently planned for adaptation Radio Free Albemuth film completed awaiting distribution The Man in the High Castle in development by Ridley Scott for BBC mini series and King of the Elves Disney planned for release in 2012 The Collected Stories of Philip K. Dick Philip K. Dick, 2013 *Minority Report* Philip K. Dick, 2000 The fourth volume of the definitive five book set of the complete collected stories of the twentieth century's greatest sf author covers a wide span from late 1954 through to

1963 Those were the years during began writing novels prolifically and his short story output lessened Back cover The Philip K. Dick Primer Pasquale De Marco, 2025-08-12 Dive into the Uncanny Mind of Philip K Dick A Comprehensive Exploration of His Literary Legacy Prepare to embark on an intellectual odyssey into the enigmatic world of Philip K Dick a visionary writer whose boundary pushing fiction has reshaped our understanding of reality identity and the human experience This comprehensive volume delves into the depths of Dick s prolific output examining the major themes literary techniques and cultural impact of his groundbreaking work From his early struggles and formative influences to his rise to prominence as a leading figure of the Golden Age of Science Fiction this book traces Dick s literary journey highlighting the key moments and experiences that shaped his unique perspective Explore the profound influence of post war paranoia the counterculture movement and Dick s own experimentation with psychedelics on his writing Delve into Dick s vast and complex philosophical system known as the Exegesis which permeates his work and offers a glimpse into his deeply personal and often mystical beliefs Discover the Gnostic influences metaphysical speculations and the relentless search for meaning and truth that drive Dick s literary explorations Analyze the major themes that recur throughout Dick s novels and short stories including the fluidity of identity the nature of reality and the consequences of technological advancements Engage with iconic works such as Do Androids Dream of Electric Sheep The Man in the High Castle and Ubik exploring the existential dilemmas social commentary and profound insights they contain Examine Dick s influence on the world of film with in depth discussions of major adaptations such as Ridley Scott s Blade Runner and Steven Spielberg s Minority Report Trace the enduring legacy of Dick s ideas in contemporary science fiction literature and popular culture exploring how his work continues to inspire and challenge generations of creators and thinkers This book is not merely a tribute to a literary giant it is an invitation to delve into the enigmatic mind of Philip K Dick to grapple with his provocative ideas and to experience the transformative power of his visionary fiction Whether you are a longtime admirer or a newcomer to Dick s work this comprehensive exploration will deepen your understanding and ignite your imagination If you like this book write a review
