The Serpent And The Rainbow By Wade Davis:

The Serpent and the Rainbow Wade Davis, 2010-10-05 A scientific investigation and personal adventure story about zombies and the voodoo culture of Haiti by a Harvard scientist In April 1982 ethnobotanist Wade Davis arrived in Haiti to investigate two documented cases of zombies people who had reappeared in Haitian society years after they had been officially declared dead and had been buried Drawn into a netherworld of rituals and celebrations Davis penetrated the voodoo mystique deeply enough to place zombification in its proper context within voodoo culture In the course of his investigation Davis came to realize that the story of voodoo is the history of Haiti from the African origins of its people to the successful Haitian independence movement down to the present day where voodoo culture is in effect the government of Haiti's countryside The Serpent and the Rainbow Richard Maxwell, Wes Craven, A. James F. Broderick, 2014-01-10 This work explores the relationship between twenty five enduring works of horror literature and the classic films that have been adapted from them Each chapter delves into the historical and cultural background of a particular type of horror hauntings zombies aliens and more and provides an overview of a specific work's critical and popular reception Among the print to film titles discussed are Frankenstein Dracula Doctor Jekyll and Mr Hyde The Masque of the Red Death The Hound of the Baskervilles The Phantom of the Opera Psycho The Exorcist and The Shining

Infectious Rhythm Barbara Browning, 2013-06-17 Barbara Browning follows the trail of infectious rhythm from the ecstatic percussion of a Brazilian carnival group to the eerily silent video image of the LAPD beating a man like a drum Throughout she identifies the metaphoric strain of contagion which both celebrates the diasporic spread of African culture and serves as the justification for its brutal repression The essays in this book examine both the vital and violent ways in which recent associations have been made between the AIDS pandemic and African diasporic cultural practices including religious worship music dance sculpture painting orature literature and film While pointing to the lengthy and complex history of the metaphor of African contagion Browning argues that in its politicized life affirming embodiment the figure might actually teach us to respond to epidemics humanely *Zombifying a Nation* Toni Pressley-Sanon, 2016-08-02 The figure of the zombie that entered the popular imagination with the publication of William Seabrook's *The Magic Island* 1929 during the American occupation of Haiti still holds cultural currency around the world This book calls for a rethinking of zombies in a sociopolitical context through the examination of several films including *White Zombie* 1932 *The Love Wanga*

1935 *I Walked with a Zombie* 1943 *The Serpent and the Rainbow* 1988 *A 21st century film from Haiti* *Zombi* candidat a la presidence ou les amours d un zombi is also examined A reading of *Heading South* 2005 a film about the female tourist industry in the Caribbean explores zombification as a consumptive process driven by capitalism [The Ashgate Research Companion to Monsters and the Monstrous](#) Asa Simon Mittman, Peter Dendle, 2012 The field of monster studies has grown significantly over the past few years and this companion provides a comprehensive guide to the study of monsters and the monstrous from historical regional and thematic perspectives The collection reflects the truly multi disciplinary nature of monster studies bringing in scholars from literature art history religious studies history classics and cultural and media studies The companion will offer scholars and graduate students the first comprehensive and authoritative review of this emergent field

A Pepper-pot of Cultures Gordon Collier, Ulrich Fleischmann, 2003 The terms creole and creolization have witnessed a number of significant semantic changes in the course of their history Originating in the vocabulary associated with colonial expansion in the Americas it had been successively narrowed down to the field of black American culture or of particular linguistic phenomena Recently creole has expanded again to cover the broad area of cultural contact and transformation characterizing the processes of globalization initiated by the colonial migrations of past centuries The present volume is intended to illustrate these various stages either by historical and or theoretical discussion of the concept or through selected case studies The authors are established scholars from the areas of literature linguistics and cultural studies they all share a lively and committed interest in the Caribbean area certainly not the only or even oldest realm in which processes of creolization have shaped human societies but one that offers by virtue of its history of colonialization and cross cultural contact its most pertinent example The collection beyond its theoretical interest thus also constitutes an important survey of Caribbean studies in Europe and the Americas As well as searching overview essays there are sociolinguistic contributions on the linguistic geography of criollo in Spanish America the Limonese creole speakers of Costa Rica creole language and identity in the Netherlands Antilles and the affinities between Papiamentu and Chinese in Cura ao ethnohistorical examinations of such topics as creole transgression in the Dominican Haitian borderland the Haitian Mandingo and African fundamentalism creolization and identity in West Central Jamaica Afro Nicaraguans and national identity and the Creole heritage of Haiti studies of religion and folk culture including voodoo and creolization in New York City the creolization of the Mami Wata water spirit and signifyin g processes in New World Anancy tales a group of essays focusing on the thought of douard Glissant Maryse Cond and the Cr olit writers and case studies of artistic expression including creole identities in Caribbean women s writing Port au Prince in the Haitian novel Cynthia McLeod and Astrid Roemer and Surinamese fiction Afro Cuban artistic expression and metacreolization in the fiction of Robert Antoni and Nalo Hopkinson

Horror Films by Subgenre Chris Vander Kaay, Kathleen Fernandez-Vander Kaay, 2016-02-02 More horror movies are produced and released each year than any other film genre While horror enjoys broad popularity many hardcore

fans voraciously consume films from their favorite subgenres while avoiding others entirely This says something interesting about the films and their audiences This primer and reference guide defines and explores 75 alphabetically listed subgenres of horror film from Abduction to Witchcraft and two Zombie subgenres Each sizeable entry provides a critical survey of the subgenre a detailed examination of its characteristic elements and themes and a discussion of three or four exemplary titles as well as other titles of interest Literary Culture and U.S. Imperialism John Carlos Rowe,2000 Jolie Rouge Rick Ley,2015-09-28 Jolie Rouge is a swashbuckling tale of adventure and historical fiction where the fantastic exploits of Pirate Captain Bartholomew Roberts 1682 1722 and Haitian Voodoo set the stage for a group of college friends who find themselves at the mercy of a band of modern day pirates of the Caribbean Will the unlucky friends make their escape or will they simply vanish into history in the remote Western Atlantic hinterlands Only the turn of these pages will tell I hope you enjoy the story

Encyclopedia of the Zombie June Michele Pulliam,Anthony J. Fonseca,2014-06-19 A fascinating read for anyone from general readers to hardcore fans and scholars this encyclopedia covers virtually every aspect of the zombie as cultural phenomenon including film literature folklore music video games and events The proliferation of zombie related fiction film games events and other media in the last decade would seem to indicate that zombies are the new vampires in popular culture The editors and contributors of Encyclopedia of the Zombie The Walking Dead in Popular Culture and Myth took on the prodigious task of covering all aspects of the phenomenon from the less known historical and cultural origins of the zombie myth to the significant works of film and literature as well as video games in the modern day that feature the insatiable relentless zombie character The encyclopedia examines a wide range of significant topics pertaining to zombies such as zombies in the pulp magazines the creation of the figure of the zumbie to subvert decades of censorship by the Comics Code of Authority Humans vs Zombies a popular zombie themed game played on college campuses across the country and annual Halloween zombie walks Organized alphabetically to facilitate use of the encyclopedia as a research tool it also includes entries on important scholarly works in the expanding field of zombie studies Wes Craven John Kenneth Muir,1998-01-01 Filmmaker Wes Craven has consistently and imaginatively scared movie audiences since the early 1970s His films encompass a variety of styles elements and themes from the nihilistic existentialism of The Last House on the Left to the successful A Nightmare on Elm Street which sent horror in a bold new direction to the hallucinatory dreamscapes of The Serpent and the Rainbow And in the nineties Craven returned with the Scream films which were simultaneously funny clever and scary films that overturned the horror cliches of the eighties The present work provides a history of Craven s film career since 1972 examining all the themes and techniques the filmmaker explored For each film a synopsis cast and credits historical context and critical commentary are provided Also covered in detail are Craven s forays into television including movies such as Stranger in the House and work on such series as The New Twilight Zone **Family Violence** Paul Harvey Wallace,Cliff Roberson,2015-08-27 Examines the entire spectrum of family violence focusing on social processes and social

relationships The seventh edition of *Family Violence Legal Medical and Social Perspectives* by Harvey Wallace and Cliff Roberson is a comprehensive introduction to the study of family violence that guides readers to a better understanding of the challenges involved in reducing or eliminating violence The six major topics are domestic partner abuse child abuse elder abuse physical and psychological abuse identifying when abuse occurs and discussing the effects of the various types of abuse or violence Learning Goals Upon completing this book readers will be able to Understand the facets of family violence Discuss how violence may be reduced or eliminated Identify how each major type of abuse impacts the social and law enforcement agencies that are involved

A Year of Fear Bryan Senn, 2015-03-26 This eclectic overview of horror cinema offers up a collection of horror films for practically any occasion and literally every day of the year For example the author recommends commemorating United Nations Day October 24 with a screening of *The Colossus of New York* whose startling climax takes place at the U N Building Each day by day entry includes the movie title production year plot summary and critique along with a brief explanation of how the film fits into the history of that particular day and interesting anecdotes on the film's production

Theorising the Contemporary Zombie Scott Hamilton, Conor Heffernan, 2022-05-15 Zombies have become an increasingly popular object of research in academic studies and of course in popular media Over the past decade they have been employed to explain mathematical equations vortex phenomena in astrophysics the need for improved laws issues within higher education and even the structure of human societies Despite the surge of interest in the zombie as a critical metaphor no coherent theoretical framework for studying the zombie actually exists Addressing this current gap in the literature *Theorising the Contemporary Zombie* defines zombiism as a means of theorising and examining various issues of society in any given era by immersing those social issues within the destabilising context of apocalyptic crisis and applying this definition the volume considers issues including gender sexuality family literature health popular culture and extinction

Tropical Gothic in Literature and Culture Justin D. Edwards, Sandra Vasconcelos, 2016-01-13 *Tropical Gothic* examines Gothic within a specific geographical area of the South of the Americas In so doing we structure the book around geographical coordinates from North to South and move between various national traditions of the gothic Mexico Argentina Brazil etc alongside regional manifestations of the Gothic the US south and the Caribbean as well as transnational movements of the Gothic within the Americas The reflections on national traditions of the Gothic in this volume add to the critical body of literature on specific languages or particular nations such as Scottish Gothic American Gothic Canadian Gothic German Gothic Kiwi Gothic etc This is significant because while the Southern Gothic in the US has been thoroughly explored there is a gap in the critical literature about the Gothic in the larger context of region of the South in the Americas This volume does not pretend to be a comprehensive examination of tropical Gothic in the Americas rather it pinpoints a variety of locations where this form of the Gothic emerges In so doing the transnational interventions of the Gothic in this book read the flows of Gothic forms across borders and geographical regions to tease out the complexities of Gothic cultural

production within cultural and linguistic translations Tropical Gothic includes but is by no means limited to a reflection on a region where European colonial powers fought intensively against indigenous populations and against each other for control of land and resources In other cases the vast populations of African slaves were transported endowing these regions with a cultural inheritance that all the nations involved are still trying to comprehend The volume reflects on how these histories influence the Gothic in this region

The Voodoo Encyclopedia Jeffrey E. Anderson, 2015-08-26 This compelling reference work introduces the religions of Voodoo a onetime faith of the Mississippi River Valley and Vodou a Haitian faith with millions of adherents today Unlike its fictional depiction in zombie films and popular culture Voodoo is a full fledged religion with a pantheon of deities a priesthood and communities of believers Drawing from the expertise of contemporary practitioners this encyclopedia presents the history culture and religion of Haitian Vodou and Mississippi Valley Voodoo Though based primarily in these two regions the reference looks at Voodoo across several cultures and delves into related religions including African Vodun African Diasporic Religions and magical practices like hoodoo Through roughly 150 alphabetical entries the work describes various aspects of Voodoo in Louisiana and Haiti covering topics such as important places traditions rituals and items used in ceremonies Contributions from scholars in the field provide a comprehensive overview of the subject from various perspectives and address the deities and ceremonial acts The book features an extensive collection of primary sources and a selected general bibliography of print and electronic resources
