War and Conflict Quotations Michael C. Thomsett, Jean Freestone Thomsett, 2015-09-02. History is replete with pronouncements on war. Some reflect on man's warlike nature. We are quick to flare up, we races of men on the earth. Homer others deal with the practical strategies of the combatants. If Hitler invaded hell I would make at least a favorable reference to the devil in the House of Commons. Winston Churchill and still others offer advice for avoiding conflict. The most disadvantageous peace is better than the most just war. Desiderius Erasmus. More than 2 700 quotations on war and conflict are presented in this reference work. The quotations are arranged by more than 100 broad categories from action to winning. For each the quotation is first given followed by its author, the work in which it appeared when appropriate and the date. The book includes numerous cross references and keyword in context and author indexes are provided for further utility. *The Book Buyer's Guide*, 1967 *Rebirthing Into Androgyny* Berenice Andrews, 2012-11. In these interesting times when many people are searching for spiritual nourishment this book is intended to be a means of providing it. *Rebirthing Into Androgyny: Your Quest For Wholeness And Afterward* offers to the hungry ones a familiar yet totally different feast. While it sets forth an already established metaphysics it also presents a radical new idea, one that has been implicit in that spiritual thought but unavailable until now and the new awareness associated with quantum physics. In other words while this book provides soul searchers also known as learners with an ages old means of generating a fundamental inner change, a rebirthing it also provides a new living prototype of what is being reborn. Thus a person's rebirthing is both a gestation and a labor, a quest producing an ever increasing knowing gnosis which gradually becomes being that can finally merge with the Beloved Self. And the new living prototype is that of the human soul, not as what a person has but as what a person is, a creative energy being who generates its own bodies out of its soul substance, its creative consciousness energy by means of its archetypal

human energy system while always being guided by its nucleus of divinity In this book which is a textbook for soul searchers all of this transformative change is offered explored and explained in a series of carefully crafted lessons lovingly taught by a shamanic teacher healer in a stone circle classroom the ancient site of a modern teaching There is a grand feast awaiting The cover design was created by Paula Kozak Sarasota Florida set in a circle representing the Unity of the Cosmos the Oneness that includes all people the hexagram is an ancient symbol of androgyny The Nordic rune Dagaz across its center signifies breakthrough and transformation The gold of the hexagram against the white background indicates the ever present divine energies that guide and sustain while the light spectrum surrounding the circle and extending in all directions indicates the auric field of a human energy being inseparable from its Creator
