Walter Brueggemann's Prophetic Imagination Conrad L. Kanagy, 2023 Walter Brueggemann's *The Prophetic Imagination* emerged seemingly out of nowhere in 1978 Its appeal took even the author by surprise But its message and relevance and the enigmatic prophet from Missouri were just what the American church needed This book addresses the mystery of a prophetic breakthrough that remains relevant and necessary

The Practice of Prophetic Imagination Walter Brueggemann, 2012-06-01 Walter Brueggemann declares that the necessary character of truly prophetic preaching today is a contestation between narratives If the dominant narrative of our time promotes national self sufficiency through militarism and personal self sufficiency through consumerism it must be opposed by a different narrative Prophetic preaching takes its stand in a world claimed by a God who is gracious uncompromising and real Brueggemann writes here for leaders in faith communities who bear the responsibility of preaching He describes the discipline of a prophetic imagination in an unflinchingly realistic unwaveringly candid manner

Prophecy and Politics in South African Pentecostalism Mookgo Solomon Kgatle,2023-12-28 This book is an interdisciplinary study of the

relationship between prophecy and politics in South African Pentecostalism The role and the power of prophecy in enhancing the presence of politicians in the church square are unpacked through historical examples as well as case studies of contemporary prophets Solomon Kgatle argues that the influence of prophecy in politics has the potential to weaken the prophetic voice of the church in general and the Pentecostal movement in particular He proposes a Pentecostal political theology of prophecy This theology is developed by taking into cognizance the theoretical and theological frameworks of prophetic imagination and pneumatological imagination In addition this theology seeks a balance between prophecy and power and prophecy and sovereignty

A Sacramental-prophetic Vision Matthew T. Eggemeier, 2014 In *A Sacramental Prophetic Vision The Praxis of Christian Spirituality in a Suffering World* Matthew Eggemeier argues that the sacramental and prophetic traditions of Christian spirituality possesses critical resources for responding to the contemporary social crises of widespread ecological degradation and the innocent suffering of a crucified people Eggemeier maintains that the vital key for cultivating these sacramental and prophetic traditions in the present is to situate these spiritualities in the context of spiritual exercises or ascetical practices that enable Christians to live more deeply coram Deo and in turn to make this presence visible in a suffering world

Singing and Suffering with the Servant David M. Stark, 2022-10-10 The Old Testament is transformed from problem to ally when preachers attend to power at work in ancient and modern contexts by mirroring Second Isaiah's proclamation listening to contemporary servant Israel and learning from African American preaching in context of domination This book analyses the impact of domination on Old Testament proclamation and thus leads to several unique contributions Firstly it reads Second Isaiah as a homiletic model for proclaiming older pre-exilic texts in response to exilic domination Secondly it

treats the Old Testament as a rich resource for confronting racism and anti-Semitism through teaching and it introduces contemporary Christian Jewish dialogue in Germany as a model for the Church. Lastly it highlights preaching traditions within the African American Church as instructive for formulating an effective Old Testament preaching strategy **Journal of Latin American Theology, Volume 13, Number 2** Lindy Scott, 2018-12-06 This issue of the Journal of Latin American Theology contains articles from some of the newest members of the FTL who presented papers in local chapters in fulfillment of an essential requirement for active membership in the FTL: the presentation of a written work reflecting original theological thought, rigorous dialogue with other pertinent sources and research instruments and relevance to Latin American situations. Through this requirement the FTL provides a strong impetus to practical scholarship and fosters relevant, robust contextual theological reflection. This issue showcases men and women from Colombia, Puerto Rico, Honduras, El Salvador, Uruguay and Argentina who explore many aspects of church generosity, identity, art, the prophetic imagination and liberation.

Wandering, Not Lost Barry L. Casey, 2019-11-01 A spiritual journey may take many forms: from Dante's descent to the pits of Hell and up the other side to the bliss of Paradise; to Pilgrim's progress or even to Billy Pilgrim unstuck in time in Vonnegut's Slaughterhouse-Five. It could be Elijah running headlong into the desert or Jonah being flung ashore and shouting in Nineveh; a petulant prophet to the end. Faith can be carried like pennies in the pocket or worn like a coat of many colors. Abraham and Moses, Mary and Peter: all of them carried their faith and all of them had their doubts. Doubt is the companion of faith and the mystery that bonds them together comes out in stories. These are stories of faith, doubt and mystery. Not all who wander are lost.

Translating the Invisible Wind Geoff Hall, 2011-12-01 Translate calls the artist to reject institutional subservience and form part of a living artistic community. Jacques Ellul warns us that if we pursue the methods of propaganda we will become like any other ideology and lose the essence of our faith. Do we collaborate with the powerful? Can we resist the temptation to conform to the spirit of the age so that we can transform a fractured, disintegrated culture?

A Prophet in the Darkness Wesley Vander Lugt, 2024-12-10 In this collection of essays a group of theologians, artists and historians explore Georges Rouault's historical context, personal suffering and biblical themes, showing how his prophetic creativity continues to inspire artists and thinkers today. Chapters are interspersed with original artistic responses in the form of imagery and poetry.

With God on Our Side Steven Félix-Jäger, 2017-01-11 Rock and roll is more than just music. Rock is a culture and an ideology which carries its own ethos. It is forcefully countercultural and exists as a bane in the sight of dominant Western culture. As rock engages and critiques culture it invariably encounters issues of meaning that are existential and theological. A transformational theology of rock begins with those existential and theological issues raised by and within rock music. With God On Our Side attempts to respond to these queries in a way that is faithful to the work of the kingdom of God on earth by mining our long theological tradition and seeing what cohesive responses can be made to the issues raised by rock music. At its best rock acknowledges there is something wrong with the world, raises awareness of

marginalized voices and offers an alternative mode of existence within our present reality By teasing out the theological issues found in rock music this book synthesizes the findings to create a distinctive cultural theology that is sensitive to the plight of the marginalized in the West In this way the book offers a way forward towards a transformational theology of rock and roll

And There Was No Poor Among Them Ryan D. Ward, 2023-05-16 While The Church of Jesus Christ of Latter day Saints has expanded many fundamental Christian doctrines salvation is still understood as pertaining exclusively to the next life How should we understand salvation and what does the timing of the Restoration reveal about God's vision of salvation for a suffering world To answer these questions author Ryan Ward traces the theological evolution of salvation from the liberation of Israel from oppression to the Western Christian development of salvation as an individualistic transactional atonement This evolution corresponded with the shift of Christianity from a covenant community to an official state religion aligned with imperial power structures Ward also explores the economic and social movements in the centuries leading up to the Industrial Revolution which solidified the power of propertied elites at the expense of the poor plundered entire continents and killed millions Synthesizing these theological and historical threads *And There Was No Poor Among Them* Liberation Salvation and the Meaning of the Restoration asserts that the Restoration is God's explicit rejection of social and economic systems and ideologies that have led to the globalization of misery Instead Ward shows how the Restoration and the gospel of Christ is an invitation to a participatory salvation realized in Zion communities where there are no poor among us

Before You Were Born, I Anointed You Anna Beresford, 2022-09-12 Prophetic ministry in the Bible has long been perceived as the exclusive domain of individuals who were powerful authoritative argumentative and almost always male This impression cannot be sustained In a logical and engaging way Anna Beresford convincingly shows us that female characters throughout the biblical story are not merely peripheral actors but are often the ones who proclaim God's prophetic word with disturbing clarity Beginning with the few women acknowledged as prophets in the Hebrew scriptural tradition Beresford proceeds to uncover a surprising host of hidden female prophets Among this cast we meet the widow whose last penny is consumed by organized religion the gate crasher who teaches a pious Pharisee stern lessons in hospitality a woman who has the last word in a theological debate A woman used to trap Jesus proclaims truth to power and a feisty foreign lady cleverly proves that God's love is for all of us regardless of gender or ethnicity This book is a compelling reminder that God speaks to all people women and men and calls on us to share the message whether it is convenient or not 2 Tim 4:2 NET
