

CHAPTER 30 FLEXIBLE BUDGETS AND PERFORMANCE ANALYSIS

It is important to note that the results of this study are preliminary and require further research to confirm the findings. The study also has some limitations, such as the small sample size and the lack of control group. However, the study provides valuable insights into the impact of the proposed system on the performance of the students and the teachers. The study also highlights the need for further research on the effectiveness of the proposed system in different contexts and for different groups of students and teachers.
