

## Using the notebook for the first time

After plugging the power adapter into the power jack, the notebook will power on and the Acer logo will appear on the screen. The notebook will then enter the BIOS setup utility. Press the F2 key to enter the BIOS setup utility. Press the F10 key to save the settings and exit the BIOS setup utility.

## Frequently asked questions

### What software works on a Chromebook?

Chromebooks are designed to run Google Play Store and web-based versions of desktop software applications. These applications are available for purchase or download from the Google Play Store.

### What software works on a Chromebook?

Chromebooks are designed to run Google Play Store and web-based versions of desktop software applications. These applications are available for purchase or download from the Google Play Store.

### How do I get more apps?

Download Chromebooks apps from the Google Play Store app. Go to the Google Play Store app on the Chromebook and click on the "Get" button to download the app.

### Can I use Microsoft Office software?

Chromebooks are not designed to run Microsoft Office software. However, you can use the Google Play Store to download and use the Google Docs, Sheets, and Slides apps, which are compatible with Microsoft Office files.

### Where can I find my files?

When files are stored on the cloud, you can find them by clicking on the "Files" icon in the bottom left corner of the screen.

### How do I transfer my local files?

Transfer your local files to the cloud by using the Google Drive app. Go to the Google Drive app on the Chromebook and click on the "Upload" button to upload your files.

### Why does my Chromebook need my Google account information?

The Chromebook needs to sign you into your Chromebook account to use the Google account and to sync your data. The Chromebook will prompt you to sign in to your Google account when you first use the device.

### How do I set this up for my child?

Go to the Google Family Link app on your phone to set up your child's Chromebook. The app will guide you through the process of setting up your child's account and managing their activity.

For more information, visit the Google Family Link app or the Google Family Link website.

For more information, visit the Google Family Link app or the Google Family Link website.

### Getting more information and help

For more information about your Chromebook, please visit the Acer Chromebook user manual. The manual contains important regulatory information for your health and safety. And please visit the Acer website for more information about the Acer Chromebook line of products.
