The Pacific Depths By Gary Paul Stephenson:

The Pacific Affair Gary Paul Stephenson, 2022-12-28 We live in a world which is in crisis A world where greed turns the wheels of the state A world where environmental concerns take a back seat to the vast machine of global commerce Billionaire eco philanthropist Charles Langham is determined to change that Langham implores the United Nations General Assembly to take a more active role in combating famine and the deforestation of rain forests reversing extinction rates and promoting alternative fuels But this environmental plea has teeth Langham gives the U N one week to comply or he will force their hand U S President Mike Read calling Langham an eco terrorist has found the excuse he needs to remove Langham from the equation Permanently Langham will stand against the might of a nation and uncover whatever sinister forces pull its strings

The Atlantic Affair Gary Paul Stephenson, 2022-12-28 One Man s continuing battle to save the Environment takes another deadly turn Philanthropist Billionaire Charles Langham uses his high tech organization to fight for environment Using his considerable wealth he created an organization with the aim of reversing the effect of man on his environment by regenerating rain forests reversing high extinction rates and fighting famine in a sustainable way

The Pacific Depths Gary Paul Stephenson, 2014-04-11 Philanthropist Billionaire Charles Langham uses his high tech organization in his fight for the environment Following a presentation to the UN he realizes the United States President is out to destroy him and his organization He evacuates his wife from their Amazon project His team locates two underwater drilling rigs off the Californian coast that they link to the President s closest aides who are being used by an e Nazi bent on the nuclear destruction of the United States The drilling rigs cause a tsunami that Charles s team neutralize and then help the Vice President recover the nuclear warheads Publisher s description

Marine Decapod Crustacea of Southern Australia Gary C. B. Poore, 2004 Includes bibliographical references and index

The Stuff of Science Fiction Gary Westfahl, 2022-10-07 While students and general readers typically cannot relate to esoteric definitions of science fiction they readily understand the genre as a literature that characteristically deals with subjects such as new inventions space robot and aliens This book looks at science fiction in precisely this manner with twenty one chapters that each deal with a subject that is repeatedly addressed in science fiction of recent centuries Based on a packet of original essays that the author assembled for his classes the book could serve as a supplemental textbook in science fiction classes but also contains material of interest to science fiction scholars and others devoted to the genre In some cases chapters offer thorough surveys of numerous works involving certain subjects such as imagined vehicles journeys beneath the Earth and undersea adventures discovering intriguing patterns in the ways that various writers developed their ideas When comprehensive coverage of ubiquitous topics such as robots aliens and the planet Mars is impossible chapters focus on major themes referencing selected texts A conclusion discusses other science fiction subjects that were omitted for various reasons and a bibliography lists additional resources for the study of science fiction in general and the topics of each chapter
