The Passion Of Artemisia By Susan Vreeland:

The Passion of Artemisia Susan Vreeland, 2002-12-31 Susan Vreeland set a high standard with *Girl in Hyacinth Blue*. The *Passion of Artemisia* is even better. Vreeland's unsentimental prose turns the factual Artemisia into a fictional heroine you won't soon forget. People A true to life novel of one of the few female post Renaissance painters to achieve fame during her own era against great struggle Artemisia Gentileschi led a remarkably modern life. Vreeland tells Artemisia's captivating story beginning with her public humiliation in a rape trial at the age of eighteen and continuing through her father's betrayal, her marriage of convenience, motherhood and growing fame as an artist. Set against the glorious backdrops of Rome, Florence, Genoa and Naples inhabited by historical characters such as Galileo and Cosimo de' Medici II and filled with rich details about life as a seventeenth century painter, Vreeland creates an inspiring story about one woman's lifelong struggle to reconcile career and family passion and genius.

The Passion of Artemisia Susan Vreeland, 2004 A story of suffering love and the triumph of talent, the scandalous and dramatic life of Artemisia Gentileschi, the most famous female artist in the history of Italy. From extraordinary highs, the creation of beautiful and outstandingly original paintings, patronage by the Medici, Galileo's friendship, to rape, torture and the Inquisition, struggles for professional acceptance and financial security and betrayal by the men she loved, Artemisia was a bold and brilliant woman who lived as she wanted and paid a high price. Now Susan Vreeland brings her gripping and intensely moving story to vivid life.

The Artemisia Files Mieke Bal, 2005 An early icon of feminist art history, the work of Artemisia Gentileschi has been largely obscured by the sensational details of her life. In this volume, the contributors attempt to give a more balanced view to approach a genuine appreciation of Artemisia's considerable artistic talents.

Sex and Slaughter in the Tent of Jael Colleen M. Conway, 2017 This book traces the retelling of the biblical story from Judges 4-5 in ancient retellings of the Bible, visual art, poems, plays and novels. The book shows how these cultural productions of an old biblical story intersect with broader conversations about the often conflicted and sometimes violent relationship between women and men.

The Forest Lover Susan Vreeland, 2004-11-30 In her acclaimed novels, Susan Vreeland has given us portraits of painting and life that are as dazzling as their artistic subjects. Now in *The Forest Lover*, she traces the courageous life and career of Emily Carr, who more than Georgia O'Keeffe or Frida Kahlo, blazed a path for modern women artists. Overcoming the confines of Victorian culture, Carr became a major force in modern art by capturing an untamed British Columbia and its indigenous

peoples just before industrialization changed them forever From illegal potlatches in tribal communities to artists studios in pre World War I Paris Vreeland tells her story with gusto and suspense giving us a glorious novel that will appeal to lovers of art native cultures and lush historical fiction

The Matter of Violence in Baroque Painting Bogdan Cornea,2025-10-01 Baroque depictions of violence are often dismissed as over the top and excessive Their material richness and exciting visual complexity together with the visceral engagement they demand from beholders are usually explained in literature as reflecting the presumed violence of early modern society This book explores the intersection between materiality excess and violence in seventeenth century paintings through a close analysis of some of the most iconic works of the period Baroque paintings expose or reference their materiality by insisting on various physical changes wrought through violence This study approaches violence as the work of materiality which has the potential to analogously stage pictorial surfaces as corporeal surfaces where paint becomes flayed flesh canvas threads ruptured skin and red paint spilt blood
