of
Levine

Lippincott

"Levine is the most absorbing character to come out of popular political fiction since Frank Steffington walked off the pages of *The Last Hurrah*. Orphan, mill-linier, traveling salesman, backwoods fisherman, political fence, failed father, prodigious adulterer—now he wants to be the first Jewish President of the United States. He is an entertaining rogue—or possibly more—which is rare in both politics and fiction these days."
—RUSSELL BAKER

"A good, fun, inside-politics novel. I laughed a lot and learned a lot."
—DAN RATHER

The Wanting Of Levine By Michael Halberstam:

The Ashwander Rules Neal Rechtman, 2018-09-27 About The Ashwander Rules This project began over a decade ago as a napkin rumination what would Louis Brandeis think of today's US Supreme Court If he was alive Brandeis sense of propriety would constrain him from any direct comment so I imagined how he might address the question as a novelist in a private letter he once expressed an interest in trying his hand at fiction The result is The Ashwander Rules a parable of the modern Supreme Court in which a secret Israeli Mossad operation in Washington D C works to save a fictional chief justice from assassination at the hands of domestic terrorists In the spirit of Brandeis Supreme Court opinion writing The Ashwander Rules is an effort to educate the public and remind the Court about the importance of judicial restraint especially as it relates to questions of constitutional law The narrative also introduces a non fiction alternative to two party politics called the American Majority Party www.americanmajority.org which is an internet adaptation of a good government initiative organized by Brandeis in 1903

Cage-Busting Leadership Frederick M. Hess, 2013-02-01 A practical and entertaining volume Cage Busting Leadership will be of profound interest and value to school and district leaders and to everyone with a stake in school improvement Rick Hess aptly describes his aims at the start of this provocative book I believe that two things are true It is true as would be reformers often argue that statutes policies rules regulations contracts and case law make it tougher than it should be for school and system leaders to drive improvement and well lead However it is also the case that leaders have far more freedom to transform reimagine and invigorate teaching learning and schooling than is widely believed In his travels across the country Rick Hess has met school and system leaders who have shared stories about evading blasting through or reshaping unnecessary and counterproductive constraints Drawing on these stories and with his sharp eye Hess shows current and aspiring leaders how they can cultivate and sustain powerful cultures of teaching and learning

Ideology and Rhetoric Bożenna Chylińska, 2009-01-14 The discovery of America and its further development into a modern state and a nation are the clear instance of how ideology and rhetoric are entwined and how they can encompass widely disparate viewpoints The essays collected in this book address the topical issues of modern American Studies cultural difference and otherness gender race and ethnicity class and power They represent new texts and contexts approached through the revision reevaluation and reconfiguration of canons thus accommodating the expectations of the heterodox audience Femininity reconsidered an ideology of passing away in contemporary world of technical development race captured within the framework of identity and gender the rhetoric of blackness approached through racial exploitation American conquest ideology revealed in a mission of Manifest Destiny the 20th century assimilation rhetoric in the relations between Native Americans and the US federal government the conservative ideology and apologetic rhetoric of the Antebellum South the critique of the 21st century American legal system the evolution of the presidential rhetoric which today addresses a large heterogeneous audience all these topics impose a transnational interpretation of American culture

which developed as a result of the cross cultural transformation of European culture cultures moulded on American soil to finally become a unique reformulation of the very idea of America itself *The New York Times Book Review* ,1978

Healing the Reason-Emotion Split Daniel S. Levine,2020-12-29 Healing the Reason Emotion Split draws on research from experimental psychology and neuroscience to dispel the myth that reason should be heralded above emotion Arguing that reason and emotion mutually benefit our decision making abilities the book explores the idea that understanding this relationship could have long term advantages for our management of society s biggest problems Levine reviews how reason and emotion operated in historical movements such as the Enlightenment Romanticism and 1960s counterculture to conclude that a successful society would restore human connection and foster compassion in economics and politics by equally utilizing reason and emotion Integrating discussion on classic and contemporary neurological studies and using allegory the book lays out the potential for societal change through compassion and would be of interest to psychologists concerned with social implications of their fields philosophy students social activists and religious leaders The Open Access version of this book available at <http://www.taylorfrancis.com> has been made available under a Creative Commons Attribution Non Commercial CC BY NC 4.0 license Approaches to Modern Judaism Marc Lee Raphael,1983 *The Publishers Weekly* ,1979 *The Jewish Traveler* Alan M.
