

PERSIAN BOY

"Renault's historical novels . . . are among the finest ever written."

—THE WASHINGTON POST BOOK WORLD

A NOVEL OF

Alexander the Great

MARY RENAULT

The Persian Boy Alexander The Great 2 By Mary Renault

Waldemar Heckel

The Persian Boy Alexander The Great 2 By Mary Renault:

Brill's Companion to the Reception of Alexander the Great, 2018-09-11 Brill's Companion to the Reception of Alexander the Great offers a considerable range of topics of interest to students and academics alike in the long tradition of this subject's significant impact across a sometimes surprising and comprehensive variety of areas. Arguably no other historical figure has cast such a long shadow for so long a time. Every civilisation touched by the Macedonian Conqueror along with many more that he never imagined has scrambled to own some part of his legacy. This volume canvasses a comprehensive array of these receptions beginning from Alexander's own era and journeying up to the present in order to come to grips with the impact left by this influential but elusive figure.

The Persian Boy Mary Renault, 2014-08-07 One of the greatest historical novels ever written. SARAH WATERS I love to find queer representation in historical fiction. Renault's eye for intimacy is amazing. DOUGLAS STUART Fierce, complex and eloquent. MADELINE MILLER Mary Renault is a shining light. HILARY MANTEL A groundbreaking queer classic and powerful reimagining of the last years of Alexander the Great told through the eyes of his lover. I thought, 'There goes my lord whom I was born to follow. I have found a king. And I said to myself, looking after him as he walked away, I will have him if I die for it.' Bagoas, abducted as a boy and sold as a eunuch, has been transported to the heart of the Persian court as courtesan to King Darius. But when the Macedon army conquers his homeland, Bagoas finds freedom at the hands of their golden young commander whose name is already becoming a legend: Alexander. Their encounter sparks a passionate devotion that shapes the Persian boy's future and deepens into a relationship that will sustain them both through assassination plots, political intrigue, and the threat of Alexander's own restless ambition. This is a spellbinding tale of power, loyalty, and loss, a vision of history transfigured by love. Nowhere else in fiction have Alexander's beauty and charisma blazed with such potency.

TOM HOLLAND Passionate and captivating. SEAN HEWITT All my sense of the ancient world, its value, its style, the scent of its wars and passions comes from Mary Renault.

EMMA DONOGHUE The Alexander Trilogy stands as one of the most important works of fiction in the twentieth century.

ANTONIA SENIOR THE TIMES

The Conquests of Alexander the Great Waldemar Heckel, 2012-03-29 Ancient Greece

The Persian Boy Mary Renault, 2003 A narrative of the life of Alexander the Great from the age of twenty-six until his death seven years later.

Alexander the Great Elizabeth Baynham, 1998 The literary tradition surrounding the Macedonian conqueror is rich, contradictory, and complex. Much of what we know comes from the history of Quintus Curtius, who wrote a history of Alexander in the first century AD. Baynham explores Curtius' historical style and his presentation of the legendary king. She examines his use of ancient sources and discusses why Curtius chose to preserve the information about Alexander that he did. She demonstrates that his work was a carefully planned narrative and that he was not only interested in presenting Alexander as a clever ruler and accomplished tactician but also as a human subject to the whims of chance and fortune.

The Cambridge Companion to Alexander the Great Daniel Ogden, 2024-01-18 A lucid introduction to the life and career of one of the most significant figures in world

history A geographically articulated biography is followed by studies of the key themes of his campaign and analyses of ways in which the king's image was presented and manipulated in antiquity itself

The Alexander Romance in Persia and the East Richard Stoneman, Kyle Erickson, Ian Richard Netton, 2012 Alexander the Great of Macedon was no stranger to controversy in his own time Conqueror of the Greek states of Egypt and of the Persian Empire as well as many of the principalities of the Indus Valley he nevertheless became revered as well as vilified Was he simply a destroyer of the ancient civilizations and religions of these regions or was he a hero of the Persian dynasties and of Islam The conflicting views that were taken of him in the Middle East in his own time and the centuries that followed are still reflected in the tensions that exist between east and west today The story of Alexander became the subject of legend in the medieval west but was perhaps even more pervasive in the east The Alexander Romance was translated into Syriac in the sixth century and may have become current in Persia as early as the third century AD From these beginnings it reached into the Persian national epic the Shahnameh into Jewish traditions and into the Quran and subsequent Arab romance The papers in this volume all have the aim of deepening our understanding of this complex development If we can understand better why Alexander is such an important figure in both east and west we shall be a little closer to understanding what unites two often antipathetic worlds This volume collects the papers delivered at the conference of the same title held at the University of Exeter from July 26-29 2010 More than half the papers were by invited speakers and were designed to provide a systematic view of the subject the remainder were selected for their ability to carry research forward in an integrated way

Who's Who in Contemporary Gay and Lesbian History Vol.2 Robert Aldrich, Garry Wotherspoon, 2005-07-25 Who's Who in Contemporary Gay and Lesbian History From World War II to the Present Day provides a comprehensive modern biographical survey of homosexuality in the Western world Among those included are Controversial political activists Peter Tatchell Guy Hocquenghem Harvey Milk Pop icons David Bowie k.d. lang Boy George Groundbreaking artists writers and filmmakers Pier Paolo Pasolini Derek Jarman David Hockney Intellectuals who have shaped and changed the modern understanding of sexuality Michel Foucault Simone de Beauvoir Alfred Kinsey Over 500 entries clear informative and enjoyable to read build up a superbly thorough overview of gay and lesbian life in our time

Alexander the Great Arrian, 2013-02-14 Arrian's account of Alexander's life and campaigns published as the Anabasis and its companion piece the Indica is our prime source for the history of Alexander told with great narrative skill This edition features a new translation of both texts introduction notes guide to military systems and terminology maps and a full index

Alexander the Great Hugh Bowden, 2014-07-24 Alexander the Great became king of Macedon in 336 BC when he was only 20 years old and died at the age of 32 twelve years later During his reign he conquered the Achaemenid Persian Empire the largest empire that had ever existed leading his army from Greece to Pakistan and from the Libyan desert to the steppes of Central Asia His meteoric career as leader of an alliance of Greek cities Pharaoh of Egypt and King of Persia had a profound effect on the world he moved through Even in his lifetime his

achievements became legendary and in the centuries that following his story was told and retold throughout Europe and the East Greek became the language of power in the Eastern Mediterranean and much of the Near East as powerful Macedonian dynasts carved up Alexander's empire into kingdoms of their own underlaying the flourishing Hellenistic civilization that emerged after his death But what do we really know about Alexander In this Very Short Introduction Hugh Bowden goes behind the usual historical accounts of Alexander's life and career Instead he focuses on the evidence from Alexander's own time letters from officials in Afghanistan Babylonian diaries records from Egyptian temples to try and understand how Alexander appeared to those who encountered him In doing so he also demonstrates the profound influence the legends of his life have had on our historical understanding and the controversy they continue to generate worldwide

ABOUT THE SERIES The Very Short Introductions series from Oxford University Press contains hundreds of titles in almost every subject area These pocket sized books are the perfect way to get ahead in a new subject quickly Our expert authors combine facts analysis perspective new ideas and enthusiasm to make interesting and challenging topics highly readable

The Cambridge Companion to Ancient Athens Jenifer Neils, Dylan K. Rogers, 2021-02-18 This book is a comprehensive introduction to ancient Athens its topography monuments inhabitants cultural institutions religious rituals and politics Drawing from the newest scholarship on the city this volume examines how the city was planned how it functioned and how it was transformed from a democratic polis into a Roman urbs

The Eunuch in Byzantine History and Society Shaun Tougher, 2009-06-02 The existence of eunuchs was one of the defining features of the Byzantine Empire Covering the whole span of the history of the empire from the fourth to the fifteenth centuries AD Shaun Tougher presents a comprehensive survey of the history and roles of eunuchs making use of extensive comparative material such as from China Persia and the Ottoman Empire as well as about castrato singers of the eighteenth century of Enlightenment Europe and self castrating religious devotees such as the Galli of ancient Rome early Christians the Skoptsy of Russia and the Hijras of India The various roles played by eunuchs are examined They are not just found as servile attendants some were powerful political players such as Chrysaphius who plotted to assassinate Attila the Hun and others were prominent figures in Orthodoxy as bishops and monks Furthermore there is offered an analysis of how society thought about eunuchs especially their gender identity were they perceived as men women or a third sex The broad survey of the political and social position of eunuchs in the Byzantine Empire is placed in the context of the history of the eunuch in general An appendix listing key eunuchs of the Byzantine Empire describing their careers is included and the text is fully illustrated

The Punishment of Virtue Sarah Chayes, 2006

The Greek World 479-323BC Simon Hornblower, 2013-01-11 The main aim of this book is to do justice to all the areas of the Mediterranean world in which Greek culture flourished in the fifth and the fourth centuries BC

The Greek World, 479-323 BC Simon Hornblower, 1991 Looks at areas of the Mediterranean world in which Greek culture flourished in the fifth and fourth centuries BC

The Routledge Companion to the Reception of Ancient Greek and

Roman Gender and Sexuality K. Moore, 2022-08-22 This Companion covers a range of receptions of ancient Greek and Roman gender and sexuality It explores ancient representations of these concepts as we define them today as well as recent perspectives that have been projected back onto antiquity Beginning in antiquity the chapters examine how the ancient Greeks and Romans regarded concepts of what we would today call gender and sexuality based on the evidence available to us and chart the varied interpretations and receptions of these concepts across time to the present day In exploring how different cultures have received the classical past the volume investigates these cultures different interpretations of Greek and Roman sexualities and what these interpretations can reveal about their own attitudes Through the contributions in this book the reader gains a deeper understanding of this essential part of human existence derived from influential sources From ancient to modern and postmodern perspectives from cinematic productions to TikTok videos receptions of ancient gender and sexuality abound This volume is of interest to students and scholars of ancient history gender and sexuality in the ancient world and ancient societies as well as those working on popular culture and gender studies more broadly Access ,1975
