Celebrating The 12 Days of Christmas Chris Marchand, 2019-10-10. The song The 12 Days of Christmas is a mainstay of the holiday season, but the practice of celebrating Christmas as a twelve-day festival fell out of fashion long ago in most cultures. In *Celebrating the 12 Days of Christmas*, author Chris Marchand explores the history behind the season and individual feast days from December 25 to January 6 and then offers suggestions for how you can celebrate it with your family, church, or community. Along with this, he provides answers to many of the nagging questions surrounding the holiday, such as the history behind the twelve days song, why December 25 was chosen as the date, and what to do about its supposedly pagan origins. The challenge before us is to first help people see Christmas as a holiday that begins rather than ends on December 25 and then to together figure out how to reinvent Christmas in the present by learning how it was celebrated in the past.

[The Day God Explained Himself](#) David W. Palmer, 2014. Jesus is the master communicator. He is the best teacher using the best technique to convey the most crucial content ever disclosed to man. Jesus reveals God's purpose for us. He also shows us how God interacts with man and how his kingdom system works. Jesus' ministry led up to and continued to build on the foundation of a specific explanation he gave of God and his system. This happened on a particular day: The Day God Explained Himself. If we miss the significance of that day and if we don't put sufficient emphasis on the value of Jesus' teaching on it, we could miss God's best for our lives. We could spend the bulk of our Christian walk on course askew from God's pathway. This in turn could lead to frustration, unproductive beliefs, religious self-effort, blaming God, or justifying fruitlessness. This book pinpoints the heart of Jesus' teaching. If we make this our focal point, the remainder of Jesus' teaching, his ministry, and other New Testament writings will fall into place.

A Daily Walk with God Richard Holland, 2020-12-17. During my career as a school principal, I had a wonderful epiphany: every student wherever they attended school belonged to me. I may not have been their school principal, but they were my students. I had a duty to care not only for the students in my school but for students who attended schools everywhere. Though I am retired now, I still feel that sense of duty to care for all students wherever they attend school, and that is why I wrote *A Daily Walk with God*. It is my hope that you will walk with God daily as you go to school. It is my hope that you will be mindful of his presence in your life every day. It is my hope that you will be mindful of his encouragement every day. It is my hope that you will be mindful of his love every day. Every day of the week, every hour of the day, every moment of every hour. You are that important to him. It is my hope that *A Daily Walk with God* reminds you of that.
