of the Scriptures that no longer exist What does this say for the reliability of your Bible Can you honestly and truthfully claim that your Bible translation is the inspired Word of God Ed Goodrick believes that we need to adjust our thinking about inspiration a change that argues that the Bible that you actually hold in your hand is also rightly described as the inspired Word of God His enlightening discussion of the nature of God s revelation the accurate copying of these original writings the careful comparison of the manuscripts textual criticism and their translation into contemporary languages will give you a renewed confidence in the trustworthiness of your Bible Goodrick also explores the issues that surround interpreting the Bible for if it is misused by present day readers it does little good practically to assert its divine origin Ray Lubeck has sought to bring this very important work back into print for a new generation of believers who now need more than ever in this increasingly postmodern culture to learn that the Bible is worthy of your trust commitment study and confidence Though Goodrick s arguments are timeless his wording and sources have now been completely updated giving the second edition of *Is My Bible the Inspired Word of God* an easy to read style for today
