**Beyond Ukraine** Aldo Ferrari,2017-07-20 During the last 15 years Putin s policies have produced a number of controversial effects both at the international and domestic levels some diplomatic results and unresolved regional conflicts In foreign policy he accordingly launched the idea of a Greater Europe To this aim and with the view to highlighting the goodwill of the Russian government to enhance cooperation with the European Union as a pro active and equal partner Sooner than expected political divergences and vital interests emerged As a result the Greater Europe project was progressively frozen if not plainly abandoned However the EU Russia joint attempts to solve the Ukrainian crises which were undertaken during the Normandy Four meetings Germany France Russia Ukraine resulted in signing the weak but still important Minsk agreements This helps to prove that there is still room for cooperation between the two sides These agreements may hopefully set the stage for a more comprehensive deal aiming to close the gap between the EU s and Russia s competing visions

**India's Approach to Border Management** Pushpita Das,2022-12-29 This book attempts to provide a comprehensive understanding of the circumstances which have shaped India s approach towards its international borders and the framework it has developed to better manage its borders The book argues that persistence of various cross border threats and challenges and an absence of robust intra regional trade among its neighbouring countries forced India to employ a security centric and unilateral approach to border management with emphasis on hardening the borders to cross border trade and travel and keeping the border areas underdeveloped to act as a buffer against external conventional threats Besides discussing the threats and challenges that India faces along the borders the book aims to develop an understanding of India s border management practices by analysing various programmes and initiatives such as the raising of border

guarding forces building of physical and electronic fences the establishment of modern facilities for smoothening legitimate cross border travel the development of the border areas through special programmes and increasing trade and connectivity as well as other cooperative bilateral mechanisms Print edition not for sale in South Asia India Sri Lanka Nepal Bangladesh Pakistan and Bhutan **The European External Action Service and National Foreign Ministries** Rosa Balfour, Caterina Carta, Kristi Raik, 2016-02-11 Based on extensive empirical work by a cross European group of researchers this book assesses the impact of the creation of the European External Action Service EEAS on the national foreign policy making processes and institutions of the EU member states As such the contributions cover both the involvement of the national diplomatic and foreign policy actors in shaping the outlook of the EEAS and its mission as well as the changes or not it has produced for those actors of the member states The analysis draws in theoretical frameworks from Europeanization and socialization but also from intergovernmental frameworks of policy making within the European Union An introduction by the editors outlines the issues and trends examined in the book and establishes the theoretical and methodological framework Split into 2 sections Part I EEAS and national diplomacies as part of global and European structures has contributions by Richard Whitman Rosa Balfour Christian Lequesne Caterina Carta and Simon Duke Part II National diplomacies shaping and being shaped by the EEAS is covered by Daniel Fiott Fabien Terpan Cornelius Adebahr Andrea Frontini Ignacio Molina and Alicia Sorroza Laura C Ferreira Pereira Alena Vysotskaya G Vieira and Louise van Schaik Grzegorz Gromadzki Mark Rhinard Jakob Lewander and Sara Norrevik Sabina Kajnc Lange Ruby Gropas and George Tzogopoulos Vit Bene and Kristi Raik This book is much needed especially in an era when the EU is trying to pull its weight in the international sphere e g Syria Iran the Arab Spring Chinese relations and emerging powers but also at a time when the EU is trying to recalibrate its institutional structure in light of the current financial predicaments and questions on the democratic legitimacy of the European project

Greek Tragedy, European Odyssey: The Politics and Economics of the Eurozone Crisis Robert Godby, Stephanie Anderson, 2016-04-18 Debate among politicians and academics alike vacillates as to whether the euro is the crowning achievement of a half century of European integration efforts or now constitutes a force that threatens to drive European Union member states apart This book introduces both the political and economic forces at play in the eurozone crisis that have shaped this debate and changed the face of European integration China and Japan in the Global Economy Tomoo Kikuchi, Masaya Sakuragawa, 2018-04-09 This book discusses the necessity for cooperation between China and Japan to provide international public goods to Asia It provides insight into how China and Japan can redesign the process of economic integration and security architecture to ensure peace and prosperity in Asia and how China and Japan can cooperate to correct the capital misallocation and channel savings more effectively to investments in Asia It also suggests how China and Japan can promote free trade to help Asian economies upgrade their industries in the global supply chain The book is an invaluable contribution to the existing discussion on China Japan relations and how their cooperation is beneficial not only for

them but also for Asia and even the world      **Research Handbook on EU Economic Law** Federico Fabbrini,Marco Ventoruzzo,2019 p p1 margin 0 0px 0 0px 0 0px 0 0px font 10 0px Arial This comprehensive Research Handbook analyses and explains the EU s complex system of economic governance from a legal point of view and looks ahead to the challenges it faces and how these can be resolved Bringing together contributions from leading academics and top lawyers from EU institutions this Research Handbook is the first to cover all aspects of the Eurozone s legal ecosystem and offers an up to date and in depth assessment of the norms and procedures that underpin the EU s economic monetary banking and capital markets unions      Three Way Fight Xtn Alexander,Matthew N. Lyons,2024-05-28 What s the relationship between combating the far right and working for systemic change What does it mean when fascists intensify racial oppression and patriarchy but also call for the downfall of economic elites or even take up arms against the state Three way fight politics confront these urgent questions squarely arguing that the far right grows out of an oppressive capitalist order but is also in conflict with it in real ways and that radicals need to combat both The three way fight approach says we need sharper analysis of far right movements so we can fight them more effectively and we also need to track ongoing developments within the ruling class including liberal or centrist efforts to co opt antifascism as a tool of state repression and system legitimation This book offers an introduction to three way fight politics with more than thirty essays position statements and interviews from the Three Way Fight website and elsewhere spanning from the antifascist struggles of the 1980s and 1990s to the political upheavals of the twenty first century Over fifteen authors explore a range of topics such as fascist politics relationship with patriarchy and settler colonialism Tom Metzger s Third Position anticapitalist fascism conflict within the business community over the 2016 presidential election and the Trump administration s shifting relationship with the organized far right Many of the writings address issues of political strategy such as tensions between radicals and liberals within the reproductive rights movement and the George Floyd rebellion video gaming as an arena of political struggle and the importance and challenges of approaching antifascist organizing in ways that are militant community based and nonsectarian
