An Invitation to Slow Mark R. McMinn, Lisa Graham McMinn, 2024-10-22 We live in a day of fast information fast fingers fast food fast shipping fast words fast anger and fast judgment Our fight or flight impulses keep us on high alert aided by mobile devices that vibrate each time another crisis strikes All this fastness can easily interfere with a slow intentional life grounded in God s love Christian faith has deep treasures and practices to offer us How will we live and who will we be in this highly charged era

where politics economics environment and social norms are under significant duress Come explore quieter more intentional ways of being and how these might attune us to the slow work of God in order that we might love one another and the world as God does Our chapters pair a lure to move fast with an invitation to slow Becoming slow to anger is an invitation to empathy slow to judge is an invitation to humility and slow to grasp is an invitation to contentment Ultimately each of these invitations is a movement toward God

Lessons from Laodicea Ross A. Lockhart, 2016-04-08 I m rich and I don t need a thing bragged the early Christians in the big city of Laodicea The Apostle John however saw their affluence and arrogance through a theological lens He declared them to be bankrupt lukewarm Christians whom God would gladly gargle and spit out Today the mainline church in the West finds itself in a dominant culture of Laodicean affluence where even faith is a commodity to be consumed While the gospel spreads and thrives in the global South and East the Western mainline church looks longingly back at Christendom and forward in fear As Christians living in a North American culture that highly prizes the unholy Trinity of individualism consumerism and secularism we require a new kind of missional leadership to pray attention to what God is doing in the world around us This book names the challenges and promises inherent in partnering with the Holy Spirit in order to offer missional leadership in a culture of affluence It is about both living in Laodicea and leaving it behind We are no longer in a Babylonian captivity but a Laodicean one This work helps chart a course for Christians who long to let go of country club religion and instead belong to a community that helps equip missionary disciples resistant to the dominant culture and resplendent in the love of our triune God
