Accounting In China In Transition 1949 2000 Accounting And Business In Asia:

Accounting in China in Transition, 1949-2000 Allen Huang, Ronald Ma, 2001 The history of the People's Republic of China can be classified into two periods Mao's China and Deng's China Each period contains a number of phases each phase is characterised by political or economic events This book gives an outline of these events and the associated accounting changes

Corporate Governance and China's H-share Market Alice De Jonge, 2008-01-01 Using detailed case studies of the first nine mainland Chinese companies to be listed on the Hong Kong stock exchange 1993-94 Alice de Jonge examines the evolution of corporate governance law and culture in China's H share market A story emerges not of tensions between ideas of corporate governance from two different legal systems Hong Kong vs mainland Chinese nor about legal convergence as China adopts concepts from Anglo American jurisdictions Rather it is a story of individual firms being pragmatic in mediating the different agendas of state agencies that own or control them

Corporate Governance and China's H Share Market looks at corporate governance in a cross border context is unique in providing a detailed understanding of China's H share market reveals why a beer company was the first ever Chinese firm to be listed overseas This fascinating work will appeal to postgraduate students and scholars of corporate governance Asian law and legal systems and Asian business as well as Chinese scholars more generally Professionals such as law practitioners working in Chinese law will also find the book of interest
