Amazing Face Reading An Illustrated Encyclopedia For Reading Faces:

Amazing Face Reading Mac Fulfer, 1997 This book is a fully illustrated guide to teach you how to immediately read the face of every person you meet Face Reading is the ability to interpret facial features to determine such things as Thinking Style Work Style Sincerity Level Personal Strength Challenges Faced just to name a few Your face is a living history of your life with every feature line carrying its own specific meaning The ability to read these features lines gives us insight into others ourselves Fulfer takes his art science out of the realm of the mysterious into a hands on method of learning The book is organized in an encyclopedic format is superbly illustrated takes you through faces top to bottom detail to gestalt gesture to metaphoric meaning A valuable tool for parents lawyers therapists teachers human resource professionals physicians salesmen mediators many others this how to guide is so easy to use that you can begin to read faces before you finish the book Order Information 17 95 plus tax shipping if applicable To order by phone call 817 377 2001 Postal orders should be sent to Mac Fulfer P O Box 100904 Fort Worth TX 76185 or e mail your request to FaceReading aol com **It's More Than Words - Reading People from the Outside In** Harry Perdue, 2006-09-06 Researchers have found that 93% of communication is nonverbal That means the words we use are only seven percent of what we are trying to say We simply haven't evolved enough yet So we must rely on the forms of communication that we used before we had language to help us better understand one another Physiognomy the scientific name for face reading is a very accurate way for you to effectively identify and analyze the features of the face that characterize personality traits It is an excellent tool for any type of persuading and understanding Face reading is based on more than 3 000 years of observation and research that there is a correlation between the features of the human face and the personality traits of its owner It's all in the face or more specifically features of the face For example a straight nose belongs to a person who makes buying decisions logically Protruding ears are a sign of someone's independence and nonconformity Low eyebrows show a tendency to interrupt In this book you will learn How to accurately read any face within 60 seconds How to tell if someone is financially conservative or a free spender by looking at his or her nose How a person thinks by simply looking at their eyebrows How to determine how much space a person needs by looking at their eyelids The Power of Face Reading Mac Fulfer, JD, 2019-06-15 Make stronger connections with anyone in the world by learning how to read faces The Power of Face Reading is the most comprehensive easy to use book on face reading available today Author Mac Fulfer makes face reading fun and easy for you to understand more about the people you encounter no matter who you meet or where you are in the world Face reading is our foundational international language and none of our seeming differences matter whether nationality gender race or culture because every person's face can be read in the exact same way For instance the lines on our faces don't reflect aging They're actually a roadmap showing where we have been and what we've done So this book is not about interpreting facial expressions it's about learning to read the stories that a person's face can tell Using a unique approach that combines both

genetics the face you are born with and epigenetics the way life events alter facial features over time this book helps you understand others better Discover how learning to interpret simple and easily recognized features such as ear size and eyebrow shape can allow you to make a better connection with anyone anywhere Superbly illustrated and organized like an encyclopedia The Power of Face Reading guides you through all you need to know about reading faces from top to bottom detail to gestalt gesture to metaphoric meaning The approach shared in this book is so easy to learn that you can put this how to guide to use and begin reading faces within minutes of opening it up Everyday applications for face reading include Improving both work and personal relationships Interviewing and hiring the right people Team building Negotiating better Coaching counseling Finding the right job Increasing sales by identifying buy signals Identifying better business partners Reading your audience when presenting The Power of Face Reading includes 275 illustrations Clear explanations of what each facial feature means Personality profiles to provide insight into every person you meet Sample readings to learn Mac s step by step face reading approach A useful checklist to help you read faces immediately A fun face reading quiz to test yourself
