*PCBs, Second Edition* Mitchell D. Erickson, 1997-01-24 This updated and expanded Second Edition of Dr Erickson's Analytical Chemistry of PCBs appears a decade after the first and is completely revised and updated. The changes from the First Edition reflect the significant growth in the area and a growing appreciation of the importance of PCB analysis to our culture. This book is a comprehensive review of the analytical chemistry of PCBs. It is part history, part annotated bibliography, part comparison, and part guidance. Featuring a new chapter on analyst/customer interactions and several new appendices, the Second Edition is an invaluable resource for both chemists with no experience in PCB analysis and seasoned PCB researchers. All topics have been more thoroughly treated and updated in this new edition to reflect advances made in the last decade, especially.

*Reading the Bible for a Change, Second Edition* Ray Lubeck, 2023-02-21 Which Bible passages are for Christians today and which relate only to ancient readers? Can I simply pick and choose for myself the verses I think best fit my situation? Who gets to decide? Is there a different meaning for each individual reader? What am I supposed to know to read the Bible well? Ray Lubeck has devoted his life to helping others discern for themselves God's truth in the Scriptures and to showing them how it relates to their everyday lives. *Reading the Bible for a Change* will guide you in how to read each biblical passage in light of its literary style and larger context. Ask and explore the most fruitful questions for understanding the meaning of a passage. Avoid common interpretive mistakes. Hear God, the divine Author, speak through the Bible's human authors. Identify the life-changing truths of Scripture that apply to life today. Move beyond merely reading the Bible to being shaped by and following it. Having taught for over three decades at the undergraduate and graduate levels as well as in many ministry contexts, Ray values the importance of holding the interest of students of the Bible. This book is written in an accessible and engaging style, using illustrations, charts, stories, and relevant examples to help the reader grasp key concepts. The second edition has been extensively revised in light of recent scholarly developments and years of use within the classroom, incorporating substantial amounts of updates and new material. *Reading the Bible for a Change* will equip you with the tools to discover for yourself the life-changing truths revealed in God's word. If you begin practicing these steps, you will embark on a lifetime journey of Scripture reading that will enable you to see for yourself how captivating and transforming it is when we read the Bible on its own terms rather than on ours.
