## **How To Let God Help You Through Hard Times:**

**Let God Help You Choose Your Partner** Babatunde B. Adeboye, 2004 In today's complex and troubled world it can be very daunting and intimidating for the single Christian when it comes to making choices. For the single person who desires to be married someday, where do they start? Is it God's will for me to be married? how do I pray the right prayer? how long do I have to wait? who is the right person? do I have to go dating and courting someone before getting married? How does my lifestyle affect my relationship with God? my singleness and my eventual marriage? What about sex? what is marriage all about and how do I prepare for it? Covers a wide range of issues from knowing who you are to knowing God's plan for your life from learning how to make godly decisions to grasping the whole concept of marriage. If you are a single Christian or not and you are contemplating marriage, then this is the book for you. A book that tells you exactly what you need to know from the truth of God's word and not about someone else's experience. Gives you a clear understanding of why you should allow God and His word to be your guide in all your decision making. Identifies the common problems and difficulties that the single Christian person would face. How to avoid the pitfalls and mistakes from bad choices that lead to broken marriages and divorce. A deeper and greater understanding of God's purpose for marriage. What every single person should know, understand and prepare for before contemplating marriage. Deals with the most important questions asked by singles. Deals with relationship issues especially on courting, dating and sex. Plus many more. *Help Yourself to God's Help* Travis Monday, 2007-01-17 A creative yet concise Christian response to self-help literature and philosophy. Written especially for people interested in accessing God's help for themselves and others. [How to Let God Help You Through Hard Times](#) Louis Weber, 2000 **10**
