Isaac Bashevis Singer: His Work and his World Hugh Denman, 2021-12-28 A quarter of a century after Isaac Bashevis Singer was awarded the Nobel Prize for Literature it is time to take stock of his achievement Penetrating studies of his fictional and autobiographical works by leading scholars in the field reveal that for all the acclaim he has received on the basis of the English versions of his works no adequate evaluation of Bashevis's significance can be made without careful examination of the original Yiddish texts Critical readings assess inter alia his themes and motifs the impact of Kabbalah on his work reflections of society in his original Polish homeland as well as his place within the context of contemporary Jewish American letters and the canon of modern Yiddish and Hebrew writing **A Companion to Early Modern Women's Writing** Anita Pacheco, 2008-04-15 This timely volume represents one of the first comprehensive student oriented guides to the under published field of early modern women's writing Brings together more than twenty leading international scholars to provide the definitive survey volume to the field of early modern women's writing Examines individual texts including works by Mary Sidney Margaret Cavendish and Aphra Behn Explores the historical context and generic diversity of early

modern women's writing as well as the theoretical issues that underpin its study Provides a clear sense of the full extent of women's contributions to early modern literary culture **Catalog of audiovisual productions** United States. Assistant Secretary of Defense (Public Affairs),1984 Returning to Babel Amalia Ran,Jean Cahan,2011-10-14 This volume offers a re-examination of some of the prevalent paradigms in Latin American Jewish Studies and an instigation to further explorations in this area It sets out from an interdisciplinary standpoint comprising literature culture history cinematography music and visual arts This collection of articles seeks a wider range of theoretical and disciplinary perspectives concerning Latin American Jewish experiences and thereby offers a framework for innovative as well as traditional modes of analysis It elaborates on themes of Jewish identity as represented in the history cultures and societies of Latin America in the current era of hybridism and transnationalism Poor Man's Feast Elissa Altman,2013-01-25 From James Beard Award winning writer Elissa Altman comes a story that marries wit to warmth and flavor to passion Born and raised in New York to a food phobic mother and food fanatical father Elissa was trained early on that fancy is always best After a childhood spent dining everywhere from Le Pavillion to La Grenouille she devoted her life to all things gastronomical from the rare game birds she served at elaborate dinner parties in an apartment so tiny that guests couldn't turn around to the eight timbale molds she bought while working at Dean DeLuca just so she could make tall food But love does strange things to people and when Elissa met Susan a small town Connecticut Yankee with parsimonious tendencies and a devotion to simple living it would change Elissa's relationship with food and the people who taught her about it forever With tender and often hilarious honesty and 27 delicious recipes Poor Man's Feast is a universal tale of finding sustenance and peace in a world of excess and inauthenticity and shows us how all our stories are inextricably bound up with what and how we feed ourselves and those we love **How Judaism Became a Religion** Leora Batnitzky,2013-08-25 Is Judaism a religion a culture a nationality or a mixture of all of these This title tells the story of how Judaism came to be defined as a religion in the modern period and why Jewish thinkers have fought as well as championed this idea *Folktales of the Jews, Volume 2* Dan Ben-Amos,Dov Noy,2006 Folktales from Eastern Europe presents 71 tales from Ashkenasic culture in the most important collection of Jewish folktales ever published It is the second volume in Folktales of the Jews the five volume series to be released over the next several years in the tradition of Louis Ginzberg's classic *Legends of the Jews* The tales here and the others in this series have been selected from the Israel Folktale Archives at The University of Haifa Israel IFA a treasure house of Jewish lore that has remained largely unavailable to the entire world until now Since the creation of the State of Israel the IFA has collected more than 20 000 tales from newly arrived immigrants long lost stories shared by their families from around the world The tales come from the major ethno-linguistic communities of the Jewish world and are representative of a wide variety of subjects and motifs especially rich in Jewish content and context Each of the tales is accompanied by in depth commentary that explains the tale's cultural historical and literary background and its similarity to other tales in the IFA collection and

extensive scholarly notes There is also an introduction that describes the Ashkenasic culture and its folk narrative tradition a world map of the areas covered illustrations biographies of the collectors and narrators tale type and motif indexes a subject index and a comprehensive bibliography Until the establishment of the IFA we had had only limited access to the wide range of Jewish folk narratives Even in Israel the gathering place of the most wide ranging cross section of world Jewry these folktales have remained largely unknown Many of the communities no longer exist as cohesive societies in their representative lands the Holocaust migration and changes in living styles have made the continuation of these tales impossible This volume and the others to come will be monuments to a rich but vanishing oral tradition **Catalog of**

Modern Christianity Dennis Loze,2010-10 Almost 2 billion people profess to be Christians whilst they have differences in doctrine they generally share similar beliefs The truth is most never truly study the Bible many others never even open it Most professing Christians have no idea what it teaches on almost any subject Their beliefs are derived from assumptions based on what they have been told the Bible says They can readily give their definition of what the Bible says but cannot give the actual Bible definition Jesus said Do not think that I have come to abolish the Law or the prophets I have not come to abolish them but to fulfil them I tell you the truth until heaven and earth disappear not the smallest letter not the least stroke of a pen will by any means disappear from the Law until everything is accomplished Anyone who breaks one of the least of these commandments and teaches others to do the same will be least in the Kingdom of heaven but whoever practices and teaches these commands will be called great in the Kingdom of heaven Matthew 5 17 19 New International Version Judeo Christianity heritage is so important to understand but unfortunately very few Christians have had the courage or encouragement to familiarise themselves with this heritage The roots of Christianity run so deep into the Hebrew soil but the actual study of the Hebrew world has been so superficial and also deemed irrelevant Have we been guilty of allowing Man s Law replacing God s Law Christians should re examine their Jewish roots so as to affect a more authentic Biblical understanding and lifestyle
