Abe Lincoln Loved Animals:

Abe Lincoln Loved Animals Ellen Jackson, 2011-05-01 This charming book shows how president Abraham Lincoln loved animals Few people in the 19th cent worried about the welfare of animals Lincoln was unusually kind to animals He did not like to hunt though he lived at a time and in a place where men often shot animals and birds From early childhood he believed that animals as well as people should be treated fairly and with compassion This book tells of Abe s life as a boy where he refused to shoot animals and protects them from harm As a young lawyer in Springfield he saved baby birds that blew down from their nest and took good care of his horse and dog As president in Washington D C he let his family fill the White House with pet rabbits dogs cats and even goats Bibliography Illus

The Intimate World of Abraham Lincoln C.A. Tripp, 2005-01-11 In *The Intimate World of Abraham Lincoln* C A Tripp offers a full examination of Lincoln s inner life and relationships that as Dr Jean Baker argues in the Introduction will define the issue for years to come The late C A Tripp a highly regarded sex researcher and colleague of Alfred Kinsey and author of the runaway bestseller *The Homosexual Matrix* devoted the last ten years of his life to an exhaustive study of Abraham Lincoln s writings and of scholarship about Lincoln in search of hidden keys to his character Throughout this riveting work new details are revealed about Lincoln s relations with a number of men Long standing myths are debunked convincingly in particular the myth that Lincoln s one true love was Ann Rutledge who died tragically young Ultimately Tripp argues that Lincoln s unorthodox loves and friendships were tied to his maverick beliefs about religion slavery and even ethics and morals As Tripp argues Lincoln was an invert a man who consistently turned convention on its head who drew his values not from the dominant conventions of society but from within For years a whisper campaign has mounted about Abraham Lincoln focusing on his intimate relationships He was famously awkward around single women He was engaged once before Mary Todd but his fianc e called off the marriage on the grounds that he was lacking in smaller attentions His marriage to Mary was troubled Meanwhile throughout his adult life he enjoyed close relationships with a number of men He shared a bed with Joshua Speed for four years as a young man and as Tripp details here he shared a bed with an army captain while serving in the White House when Mrs Lincoln was away As one Washington socialite commented in her diary What stuff This study reaches far beyond a brief about Lincoln s sexuality it is an attempt to make sense of the whole man as never before It includes an Introduction by Jean Baker biographer of Mary Todd Lincoln and an Afterword containing reactions by two Lincoln scholars and one clinical psychologist and longtime acquaintance of C A Tripp As Michael Chesson explains in one of the Afterword essays Lincoln was different from other men and he knew it More telling virtually every man who knew him at all well long before he rose to prominence recognized it In fact the men who claimed to know him best if honest usually admitted that they did not understand him Perhaps only now when conventions of intimacy are so different so open and so much less rigid than in Lincoln s day can Lincoln be fully understood

Abe & Fido Matthew Algeo, 2015-04-01 In early 1861 as he prepared to leave his home in Springfield Illinois

to move into the White House Abraham Lincoln faced many momentous tasks but none he dreaded more than telling his two youngest sons Willie and Tad that the family's beloved pet dog Fido would not be accompanying them to Washington Lincoln who had adopted Fido about five years earlier was afraid the skittish dog wouldn't survive the long rail journey so he decided to leave the mutt behind with friends in Springfield Abe Fido tells the story of two friends an unlikely tandem who each became famous and died prematurely It also explores the everyday life of Springfield in the years leading up to the Civil War as well as Lincoln's sometimes radical views on animal welfare and how they shaped his life and his presidency It's the story of a master and his dog living through historic tumultuous times **Abraham Lincoln: 16th U.S. President** Kekla
