Abandonment to Divine Providence de Caussade,2017-03-22 The Abandonment to Divine Providence of Fr de Caussade is as far removed from the false inactivity of the Quietists as true Christian resignation is distinct from the fatalism of Mohammedans It is a trusting childlike peaceful abandonment to the guidance of grace and of the Holy Spirit an unquestioning and undoubtingsubmission to the holy will of God in all things that may befall us be they due to the action of man or to the direct permission of God To Fr de Caussade abandonment to God the Ita Pater of our Divine Lord the Fiat of our Blessed Lady is the shortest surest and easiest way to holiness and peace Fr de Caussade s work must be read with a certain amount of discretion as naturally every advice he gives does not apply to all readers indiscriminately Some of his counsels may be appropriate for beginners others for souls of a more advanced degree of spirituality No one however can fail to recognize in his writings the sure tone of a Master who has united practical to theoretical knowledge of his subject Every page is redolent with the unction of the Spirit of God and readers will find in his doctrine a heavenly manna a food of unfailing strength for their souls The present work has been carefully translated into readable English and more regard has been paid to the meaning than to the literal exactness of the sentences The elevated noble style of the author has been preserved throughout It is a real contribution to the spiritual literature of England I am aware that our English word Abandonment does not adequately render the meaning of the French word Abandon but we have no better expression The translation has been undertaken solely for the purpose of helping souls to follow the hidden paths of the spiritual life and to surrender themselves

Jean-Pierre de Caussade,2017-05-21 In Abandonment to Divine Providence Jean Pierre de Caussade wrote that the present moment is holy and that people should abandon themselves to present a stance that is in stark contrast to the Catholic focus on the future and life after death For de Caussade living in the moment meant having a complete trust and faith in God for God s will defined and guided all things The practical advice contained in his guidebook for the faithful was originally a series of letters written for the Nuns of the Visitation of Nancy meant to help them navigate the confusing and difficult work of spiritual enlightenment and comes together here in two distinct parts one for the theoretical foundations of abandoning oneself to the present moment and one with practical advice on how to live such a life Though a departure from the standard Christian perspective Abandonment to Divine Providence remains a deeply spiritual work with a message that many Christians may find freeing and inspiring The present book is an English translation of the Tenth French Edition of Fr de Caussade s Abandon la Providence Divine edited to the great benefit of many souls by Fr H Rami re S J It is divided into two unequal parts the first containing a treatise on total abandonment to Divine Providence and the second letters of direction for persons leading a spiritual life The Treatise comprises two different aspects of Abandonment to Divine Providence one as a virtue common and necessary to all Christians the other as a state proper to souls who have made a special practice of abandonment to the holy will of God The Letters of Direction now for the first time translated into English were addressed to Nuns of the Visitation at Nancy Fr de Caussade had been stationed in this town for some time and when later he was called away his letters to the Nuns carried on the powerful influence he had exercised over them They were treasured and preserved with religious care and thus have come down to our own days Fr de Rami re S J collected these letters and edited them with painstaking labour However for this Abridged Edition only the first part which is the treatise on total abandonment to Divine Providence is available The second part which contains the spiritual counsels of Fr de Caussade and his letters of direction for persons leading a spiritual life is only available through the Unabridged Edition
