

Opening speech for 15th anniversary event

Ladies and gentlemen, distinguished guests, I would like welcome you all very warmly to our event.

The year 2001 was notable for many reasons. It was the year that Enron filed for bankruptcy, the year Wikipedia was founded - according to Wikipedia. And in 2001 - with the encouragement of the EC and the bold vision of our 10 'Founding Fathers' - EFRAG was established.

My name is Andrew Watchman. EFRAG is 15 years old today. I am slightly older, but I am young in my role – as I became chairman of the EFRAG TEG and CEO just three months ago. And, despite the outcome of the UK referendum two weeks ago, I plan to be here for a while longer. Before EFRAG, I was global head of IFRS for an international accounting firm, and before that I was the Accounting Adviser to the UK government's business department. During that period I represented the UK on the EC's Accounting Regulatory Committee. So my first taste of IFRS came with a European flavour.

Before introducing our programme I would like to mention a few of our guests whose role has - or will be - particularly important in EFRAG's history, future or both.

Firstly I'd like to introduce the newest member of team EFRAG - just 5 days ago EFRAG's General Assembly confirmed the appointment of Jean-Paul Gauzes as President of the EFRAG Board, following his nomination by the European Commission and successful hearing in the European Parliament. Many of you will know Jean-Paul as a result of his 10 distinguished years of service as a member of the European Parliament. And, if you know Jean-Paul you will understand how pleased we are at EFRAG at the appointment of such an accomplished and well-respected figure. You will hear directly from Jean-Paul at the closing of our event.

Second, I want to mention Roger Marshall. Roger has served as EFRAG's Acting Board President for almost two years – no doubt a rather longer stint than he expected when agreeing to step in. EFRAG owes Roger a huge debt of thanks for his commitment and strong and wise leadership during this prolonged transition period.
