**Perceptions of Female Offenders, Vol. 1** Brenda Russell,Celia Torres,2023-11-21 This first volume of the second edition builds on the many developments made to the study of female offenders compiling new insights and evidence based research With new cases such as Amber Heard and Johnny Depp it further explores topics including the role of social media in how female offenders are portrayed juvenile offenders female aggression in young adults female perpetrators of domestic violence and more This book begins with new research on gender stereotypes disruptive behavior female aggression the impact of American media and culture and gender stereotypes and how they relate to female offending It examines more diverse topics to include greater intersectionality of female perpetrators in terms of age race ethnicity and sexual identity and country Additionally it provides a comprehensive evidence based review of the research that is valuable to researchers practitioners and advocates interested in equality in the criminal justice system Contemporary Family Law Susan S. M. Edwards,Judith Bray,2025-01-21 Taking a fresh and modern approach Contemporary Family Law Principles and Practice gives students all the information they need to develop a clear understanding of this fascinating area of the law Covering the very latest developments in family law each chapter uses contemporary cases as a window to introducing core legal concepts principles and developments emphasising the dynamism and evolving nature of family law in which practitioners campaigners law reformers and students all play their part Key features include Developments in family law are considered not only from a vantage point of judicial decision making but also from the perspective of the contribution made by solicitors barristers and experts This encourages students to develop a sense of their own potential agency when as future practitioners they represent their clients and engage in law reform In considering legal argument and case determination the book places equality front and centre including access to justice Each chapter provides further reading with online links and URLs and a set of self test questions including problem scenarios and discursive essay questions Each form of assessment reflects the levels of educational attainment and mirrors testing techniques relevant to academic examination and legal professional and vocational practice courses This uniquely contemporary textbook will be essential reading for all students of family law *Courting Justice* Brenda Jackson,2012-06-01 Winning a high profile case has given a huge boost to New York attorney DeAngelo Di Meglio s career and his love life Too bad fame hasn t helped him win the woman he s been infatuated with for years Tired of waiting and wondering Angelo books a trip to the singles only Bahamas resort where Peyton Mahoney is celebrating her thirtieth birthday And just as he hoped when they finally connect the chemistry is mind blowing Two weeks in paradise has given Peyton some sizzling memories That s all she expects or wants from a legendary player like Angelo Having grown up on Chicago s South Side she is worlds away from his life of privilege Then a controversial case puts them on opposing sides And as sexual tension spills over from the courtroom to the bedroom there s no way they can ignore the undeniable attraction *Perceptions of Female Offenders, Vol. 2* Brenda Russell,Celia Torres,2023-11-27 This new edition is

a nuanced exploration of female involvement in various crimes from delinquency domestic violence sexual assault and homicide that resonates with the pulse of contemporary society In an age where many events are tweeted and debated online this book delves into the intricate ways social media portrays female offenders and how this can distort public perceptions and effect legal outcomes Volume two includes recent research and theory examining how female perpetration is intricately related to gender roles that persist within the criminal justice system and often lead to gender disparities in treatment criminal justice response and sentencing and calls into question long held beliefs and systems that might not be as impartial as they appear The compelling nature of this volume addresses the complex relationship between trauma and offending and examines crucial subjects like partner violence homicide and the unique challenges faced by trans women within the criminal justice system and examines the myths associated with female offending and how that bleeds into criminal justice response It addresses theories that provide insight into female offending and sentencing and offers ways to generate gender inclusiveness This volume invites researchers practitioners and advocates for justice to join a vital conversation and develop a more informed and equitable criminal justice response

**Gender and Domestic Violence** Brenda Russell, John Hamel, 2022-07-12 Societal beliefs that domestic violence is primarily a crime against women otherwise known as the gender paradigm involves the presumption that domestic violence is about the abuse of women by men Gender and Domestic Violence directly challenges this prevailing paradigm by demonstrating how it has led to differential treatment that can jeopardize defendant due process and victim safety Experts legal scholars and practicing attorneys provide tools to become more inclusive in the process and practice of domestic violence criminal justice policies

**Harvard Law Review: Volume 130, Number 1 - November 2016** Harvard Law Review, 2016-11-10 *The UN Security Council and the Politics of International Authority* Bruce Cronin, Ian Hurd, 2008-03-04 Bringing together a range of experts this book examines the degree to which the UN Security Council is evolving into an international authority with the legitimacy to act on behalf of the international community on a wide range of global issues

**Mississippi Law** Justin Randolph, 2025-09-17 In the segregated American South policing was war Rampant police violence came to the back roads and cattle pastures of America's rural countryside as ideas of race property and belonging reshaped the role of government in everyday life In Mississippi Law Justin Randolph explores rural law enforcement to explain US racial authoritarianism between the Civil War and the civil rights movement In Jim Crow Mississippi the force behind the police officer's autocracy carried legacies of empire and slavery into the age of agribusiness and automobiles from state troops and slave patrols to state troopers and highway patrols But this is no isolated story of individual barbarism US military and reform traditions informed ruling class beliefs in thoughtful police improvement through both the state militia and its inheritor the state police Black Mississippians fought to raise awareness and defend their loved ones against the violence spawned by paramilitary police reform Some took up arms against police officers others imagined a legal off ramp to remake public safety after Jim Crow Ultimately the transformation

of what one activist called Mississippi Law came with more funding and more authority for policing a key piece of infrastructure for the age of mass incarceration that followed the civil rights revolution Recounting the works of both famous and forgotten activists Mississippi Law is a genealogy of Jim Crow rule and dreams of a safety that might have been and might yet be

**Law and Society** Matthew Lippman, 2020-08-07 Law and Society offers a contemporary overview of the structure and function of legal institutions along with a lively discussion of criminal and civil law and their impact on society

Author Matthew Lippman draws on insights from over thirty years of teaching to develop an interdisciplinary approach that introduces students to both the influence of law on society and the influence of society on the law. Distinctive coverage of diversity, inequality, civil liberties, and globalism provides an incisive look at the intersection of theory and practice. The highly anticipated Third Edition includes updated discussions of issues facing today's society, including inequality, international human rights, privacy, and surveillance, and social control. Included with this title: The password-protected Instructor Resource Site, formally known as SAGE Edge, offers access to all text-specific resources, including a test bank and editable chapter-specific PowerPoint slides. **For the Defense**, 2002 **Routledge Handbook on American Prisons** Laurie A.

Gould, John J. Brent, 2020-11-01 The Routledge Handbook on American Prisons is an authoritative volume that provides an overview of the state of U.S. prisons and synthesizes the research on the many facets of the prison system. The United States is exceptional in its use of incarceration as punishment. It not only has the largest prison population in the world but also the highest per capita incarceration rate. Research and debate about mass incarceration continues to grow with mounting bipartisan agreement on the need for criminal justice reform. Divided into four sections: Prisons, Security, Operations, and Administration; Types of Offenders and Populations; Living and Dying in Prison; and Release, Reentry, and Reform, the volume explores the key issues fundamental to understanding the U.S. prison system, including the characteristics of facilities, inmate risk assessment and classification, prison administration, and employment for profit prisons; special populations; overcrowding; prison health care; prison violence; the special circumstances of death row prisoners; collateral consequences of incarceration; prison programming and parole. The final section examines reform efforts and ideas and offers suggestions for future research and attention. With contributions from leading correctional scholars, this book is a valuable resource for scholars with an interest in U.S. prisons and the issues surrounding them. It is structured to serve scholars and graduate students studying corrections, penology, institutional corrections, and other related topics. *Competition Law in Kenya* Brenda Pamela Mey, 2017-11-20 Derived from the renowned multi-volume International Encyclopaedia of Laws, this practical analysis of competition law and its interpretation in Kenya covers every aspect of the subject: the various forms of restrictive agreements and abuse of dominance prohibited by law; and the rules on merger control; tests of illegality; filing obligations; administrative investigation and enforcement procedures; civil remedies and criminal penalties; and raising challenges to administrative decisions. Lawyers who handle transnational commercial transactions will appreciate the explanation of fundamental differences in procedure from one legal system to another, as well as the international aspects of competition law. Throughout the book, the treatment emphasizes enforcement, with relevant cases analysed where appropriate. An informative introductory chapter provides detailed information on the economic, legal, and historical background, including national and international sources, scope of application, an overview of substantive provisions, and main notions, and a comprehensive description of the enforcement system, including private enforcement. The book proceeds to a detailed

analysis of substantive prohibitions including cartels and other horizontal agreements vertical restraints the various types of abusive conduct by the dominant firms and the appraisal of concentrations and then goes on to the administrative enforcement of competition law with a focus on the antitrust authorities powers of investigation and the right of defence of suspected companies This part also covers voluntary merger notifications and clearance decisions as well as a description of the judicial review of administrative decisions Its succinct yet scholarly nature as well as the practical quality of the information it provides make this book a valuable time saving tool for business and legal professionals alike Lawyers representing parties with interests in the Kenya will welcome this very useful guide and academics and researchers will appreciate its value in the study of international and comparative competition law Current Law Index ,2003
