The Pleasantries of the Incredible Mulla Nasrudin (Pocket Edition) Idries Shah, 2018-08-30 The appeal of Nasrudin is as universal and timeless as the truths he illustrates His stories are read by children by scientists and scholars and by followers of philosophy Idries Shah assembled this collection of Nasrudin's trials and tribulations from ancient manuscripts and oral literature from sources in North Africa and Turkey the Middle East and Central Asia Many were known to the great Sufi masters Rumi Jami and Attar the chemist [The Pleasantries of the Incredible Mulla Nasrudin](#) Saiyid Idris Šah, 1970 [Idries Shah Documentation](#) , 1979 **The Elephant in the Dark** Idries Shah, 1974 As our world continues to shrink we are being brought headlong into often explosive contact with other cultures and religions Islam continues to be for many a mysterious and misunderstood force alien to our own cultural values Yet in more ways than expected Christianity and Islam share common ground For centuries Sufi thinkers have been linked to both religions in certain important ideas But like the elephant in the dark in Jalaludin Rumi's classic fable these ideas are not grasped in full by seizing parts of the whole and arguing for or against their supposed Christian or Islamic derivation From a series of lectures given by Idries Shah at Geneva University *The Elephant in the Dark* shifts focus to more fruitful ground tracing documented episodes of cooperation and understanding between Christians and Moslems over the past 1 400 years **Idries Shah Anthology** Idries Shah, 2019-03-01 In his writing about Sufism Idries Shah did some revolutionary things Critically and almost alone he said that it was possible to divorce the essence of Sufi philosophy from what he insisted were secondary accretions of Islamic culture and religion Moreover he said in making this material available to the West you could not only do this you must do it This is because he believed you can only absorb materials that are designed for your own time and place Sufism as an essence may be truth without form but in order to penetrate into the human mind it must be delivered in a package shaped to fit the receiving culture When something new enters a culture there is a period where like a new object being thrown into the chimpanzee pen at a zoo all the chimps rush over to touch it throw it on the floor fight over it and so on he once told me We must wait until the dust settles only then will people be in a position to assess this material My father died in 1996 and the dust is settling fast He leaves a body of work behind and on this work alone he believed he should and would be judged This anthology is intended to provide a basic sample of his work an essential reader to allow people to do exactly what he would

have wished them to do to think for themselves and to make up their own minds From the Editor s Note by Saira Shah
