*The Remarkable Life and Times of Eliza Rose* Mary Hooper, 2011-07-04 Eliza is ousted by her new stepmother from her family and finally makes her way to London only to be thrown straight into prison for stealing a mouthful of bread At this point Eliza's life takes some remarkable twists as she learns to survive the sordid prison life is rescued by a woman she has never met before pretending to be her aunt but for what exactly and befriends Nell Gwynn who introduces her to the courtly intrigue politics and glamour of the court of King Charles And then Eliza finds out about her true background Velvet Mary Hooper, 2011-09-05 Velvet is a laundress in a Victorian steam laundry With both her mother and father dead she is an orphan and has to rely upon her own wits to make a living The laundry's work is back breaking and Velvet is desperate to create a better life for herself Then Velvet is noticed by Madame Savoya a famed medium who asks Velvet to come to work for her Velvet is dazzled at first by the young yet beautifully dressed and bejewelled Madame But soon Velvet realises that Madame Savoya is not all that she says she is and Velvet's very life is in danger A romantic and thrillingly exciting new novel from an acclaimed and much loved historical writer for teens **A Rose and A Tuberose** Kumar Ravi, 2014-09-04 The backdrop of this story is set to England under the reign of Queen Elizabeth I The story spans three years of those times from 1585 to 1587 During that period an unfortunate but significant event in the history of England took place It was the beheading of Mary Queen of Scots A major part of the story winds around this event though the subjects are involved only indirectly However in totality the story is about spectacular fortune changes in the lives of two young women About the story Edith and Mabel lost their homes and traveled to London from Cheltenham in search for a job They endured a lot of hardship before both were able to land a job But then they got separated from each other In a twist of fate Edith got herself into a dangerous situation at her workplace Charged with the murder of a co worker she was sentenced to death On the other hand Mabel was fortunate Apart from her normal duties she served as an undercover agent for Queen Elizabeth's secret service Given the circumstances will Edith and Mabel ever get a chance to meet again **Amy** Mary Hooper, 2012-10-11 It all started after I fell out with Louise and Bethany really It was falling out with them that made me try to find friends somewhere else and the Internet seemed a good place to look Amy is a level headed sort of girl certainly not one to get into dangerous situations But when the new term starts she does find herself without her usual gang of friends And so she turns to the Internet and meets a very sexy guy who calls himself Zed It's not long before he is asking her to meet him Even the level headed Amy cannot in the end resist this invitation In Mary Hooper's classically accessible and unpreachy way she tackles responsibly the potential danger of the Internet and the use of date rape drugs **Holly** Mary Hooper, 2013-01-31 Holly I hope you won't mind me buying you this I think it's the sort of thing you'll like Am I right And I think it matches your eyes This comes with best wishes from and I know it's corny A Friend And that was how it all started Holly starts receiving anonymous gifts at the caf where she works She can't believe it how romantic can you get But when Holly finds out the

identity of her admirer she is in for a shock her admirer is not a potential boyfriend her admirer is her father Holly has to come to terms with the fact that her father is not the man who lives at home with her who she loves and calls her father Her father is a man who has lived all her life on the other side of the world not even knowing of her existence Holly and her mother have some talking to do Mary Hooper tackles this emotionally fraught situation with tenderness and compassion yet still with her trademark pacy readability that has proved so popular with the young teen girls market **Chelsea and Astra**

Mary Hooper,2013-01-03 I saw him first His eyes swivelled round the room and then rested on me and I thought to myself WOW Chelsea and Astra are like chalk and cheese But even so they are the best of friends They do everything together Until something happens That something is a boy And for the first time ever Astra and Chelsea are fighting against each other Will their friendship survive Written from the perspectives of each friend Mary Hooper gets right to heart of what it feels like when the loyalty of even the best of friendships is tested *The Disgrace of Kitty Grey* Mary Hooper,2013 Kitty is living a happy carefree life as a dairymaid in the countryside The grand family she is employed by looks after her well and she loves her trade caring for the gentle cows and working in the cool calm dairy And then of course there is Will the river man who she thinks is very fond of her and indeed she is of him Surely he will ask her to marry him soon Then one day disaster strikes Will disappears Kitty is first worried and then furious She fears that Will has only been leading her on all this time and has now gone to London to make his fortune forgetting about her completely So when Kitty is asked to go to London to pick up a copy of *Pride and Prejudice* the latest novel by the very fashionable Jane Austen Kitty leaps at the chance to track down Will But Kitty has no idea how vast London is and how careful she must be It is barely a moment before eagle eyed pickpockets have spotted the country born and bred Kitty and relieved her of her money and belongings Dauntingly fast she has lost her only means of returning home and must face the terrifying prospect of stealing in order to survive and of being named a thief
