Transforming the Struggles of Tamars Lina Androviene, 2014-05-29 This book explores the unprecedented challenge of involuntary singleness for women and the implications of disregarding this challenge for the Christian and particularly baptistic communities of faith It argues that these communities not only fail involuntarily single women but also in so doing suffer a serious detriment to their own communal health and Christian witness Taking the challenge of involuntary singleness as a test case this book explores the method of convictional theology and argues for a holistic framework that can draw together the personal communal and visionary spheres of human existence Although primarily a work of theological ethics it also draws from a number of different disciplines including cultural studies and sociology as well as intersections of science Telling the Story, Second Edition Luis Palau, Tim Robnett, 2023-07-26 Have you been called to tell the and theology story Maybe you think you would like to serve God as a full time missionary or evangelist but you re not sure And if you are called how do you move forward Telling the Story answers those who wonder Have I been called to be an evangelist and Where do I begin Here you ll discover help for Understanding evangelism and what it means to be an evangelist Finding the right position Building a ministry team Utilizing multimedia resources Identifying characteristics and spiritual requirements to have or to cultivate Maintaining a balance between personal and professional life Assessing your spiritual gifts Written by international evangelist Timothy Robnett and the late Luis Palau this second edition of Telling the Story is a powerful resource for young and aspiring evangelists providing fresh and time tested guidance for those responding to God's call to Beatitudes From the Back Side Dr. J. Ellsworth Kalas, 2010-09-01 Using his method of approaching Bible tell the story passages from an unusual angle or a unique starting point J Ellsworth Kalas presents new insight into the beatitudes Jesus blessings from the Sermon on the Mount The book contains sessions and a study guide for personal use or for use in groups This book continues Kalas popular series of Back Side books The beatitudes form the introduction to what is no doubt the best known sermon ever preached We call it the Sermon on the Mount see Matthew 5 7 and of course it was preached by Jesus When we start examining the beatitudes we realize that in Jesus view happiness is not something we get by pursuing it indeed almost the contrary We are told that we will be happy or blessed if you prefer in what appears to be the near antithesis of happiness If we choose to live by the beatitudes we make a declaration of dependence We put ourselves into bondage to such things as poverty of spirit purity of heart and a readiness for persecution This isn t the sort of product they advertise on prime time television indeed I m not sure that it appears overly often in our prime time worship services That is because this is not a spiritual quick fix It doesn't come in a five easy lessons capsule Instead it is largely contrary to the way we live and to the way we think Before we go any further however let me say that over the past twenty centuries a very great many people have found in these beatitudes a depth of peace and joy beyond anything our common culture promotes and

seeks But it isn t easy and it isn t obvious There s nothing easy or soft about this kind of dependence Rather it is an attitude that demands a huge store of courage It s the kind of dependence the trapeze artist displays when he or she lets go of the bar and with no safety net awaiting flies off into space trusting Welcome to the beatitudes And may you be eternally happy beginning now adapted from the introduction More Than Conquerors Megan Hustad, 2025-09-23 Megan Hustad and her family try to reconcile an evangelical upbringing in a post Christian America When Megan Hustad was a child her father uprooted their family from Minneapolis to embark on a cross cultural journey in the name of evangelical Christianity As missionaries they brought the Gospel to the Caribbean island of Bonaire and later to the outskirts of Amsterdam After a decade away they returned to the States only to find themselves more alien than before The evangelical landscape had transformed from the idealistic market averse movement it was in the 1970s to one where media savvy pastors held sway over mega churches As the family struggled with the economic and spiritual aftermath of their break from middle class Middle America Megan and her sister Amy began to plot their escape Megan sets her sights on New York City where everything she was denied as a child would be at her fingertips and Amy makes her home among the intellectual swagger of New Englanders But fitting in proves harder than they d imagined As much as Megan tries to shake them thoughts of the God she was ignoring follow her into every party and relationship In More Than Conquerors Hustad explores what happens when the habits of your religion coincide with the demands of your social class and what breaks when they conflict With a sharp tongue and deep insight Hustad offers a vivid account of the cultural divisions anxieties and resentments that continue to divide our country and her own family Building Healthy Relationships Emmanuel Atoe, 2023-02-17 Relationships are what life is made of we form them by what we do how we do it and what we represent When God first made humanity He formed relationships and created a good atmosphere for Adam and Eve to assist one another but unfortunately because of human sin this became difficult Relationships come in many different forms however this book focuses on promoting healthy couple relationships When it comes to relationships everyone has different perceptions and they also react differently when facing challenges Differences in lifestyle and exposeure and even Christian homes can create relationship issues Healthy relationships are fostered by properly addressing problems and conflicts in the proper manner God's principle is that people should respond to their differences in a Biblical way and use their disagreements to promote growth and development The primary factor is for the couple to cohabitate in love **Grounded in Grace** Pieter J.
