The Victoria Vanishes Bryant May 6 By Christopher Fowler:

The Victoria Vanishes Christopher Fowler, 2010-06-30 One night Arthur Bryant witnesses a drunk middle aged lady coming out of a pub in a London backstreet The next morning she is found dead at the exact spot where their paths crossed Even more disturbing the pub has vanished Bryant is convinced that he saw them as they were over a century before but the elderly detective has already lost the funeral urn of an old friend Could he be losing his mind as well Then it becomes clear that a number of women have met their ends in London pubs It seems a silent secret killer is at work striking in full view and yet nobody has a clue how or why or where he ll attack next The likeliest suspect seems to be a mental patient with a reason for killing But knowing who the killer is and catching him are two very different propositions As their new team at the Peculiar Crimes Unit goes in search of a madman the octogenarian detectives ready themselves for the pub crawl of a lifetime and come face to face with their own mortality

Bryant & May - Oranges and Lemons Christopher Fowler, 2020-07-23 The most consistently brilliant entertaining and educational voice in contemporary British crime fiction the utterly fabulous Christopher Fowler Cathi Unsworth CRIMESQUAD It s a Sunday morning and the outspoken Speaker of the House of Commons has just been crushed under a mountain of citrus fruit Bizarre accident or something more sinister The government needs to know because here s a man who knows a thing or two that could compromise its future Bryant and May and the Peculiar Crimes Unit should be on the case however it seems the PCU is no more with one detective is in hospital the other gone AWOL with the rest of the team having been dismissed But events escalate and soon a series of brutal yet undeniably clever killings linked to an old English nursery rhyme threaten society s very foundations and out of the blue the PCU is temporarily back in business And if the two detectives old men in a woke world can set aside their differences and discover why some of London s most influential figures are being threatened they might not only save the unit but also prevent the city from descending into chaos

White Corridor Christopher Fowler, 2010-05-05 The unthinkable has happened at London s Peculiar Crimes Unit In the bitter depths of winter a member of the team has been murdered and everyone who works there is a suspect With the exception of Arthur Bryant and John May that is for the eccentric detectives who run London s strangest crime division are stranded on a desolate snowbound road somewhere in the West Country on their way to a spiritualists convention As the snows worsen Bryant May attempt to solve the crime long distance And their situation is about to get much much worse Unknown to the elderly detectives an obsessed killer has travelled from the Riviera to Dartmoor and is stalking the stranded vehicles searching for one particular victim and edging ever closer with each passing minute Two murderers two incapacitated detectives just six hours to solve two crimes and save the unit Armed only with their wits woolly coats a mobile phone with a fading battery and some dubious veal and ham pies Bryant May are bracing themselves for a strange and very dangerous day
