The Mikveh Scrolls Steven G. Lightfoot, 2010-07-22 World renowned archaeologist Dr Simon Cross dedicated his life to unearthing physical evidence to corroborate the people and events of The Bible For years Cross fought the skeptics in the academic and scientific communities And for years the irrefutable proof of the historical accuracy of scripture eluded him Now thanks to a special team of archaeologists and mind blowing new technology Cross is on the verge of a world changing discovery that will either set humanity ablaze for Christ or accelerate the powers of darkness to destroy mankind As a holy war heats up in the Holy Land Cross and his team race to realize their discovery Will Cross find the proof he seeks Or will the demonic forces of evil descend on his team and erase the hope of mankind forever Author Steven G Lightfoot weaves an exotic tapestry of action suspense romance and deep faith in Christ Drawing from his combat experience as a U S Marine officer his spiritual gifts and his keen sense of observation Lightfoot crafts a tale that transports the reader into a world of spiritual conflict and incredible imagery In The Mikveh Scrolls the reader does not just read about his characters but rather builds a relationship with them The Mikveh Scrolls is contemporary Christian fiction at its best Full of romance action suspense and great spiritual content in the style of Jenkins and LaHaye s best selling Left Behind series Be a part of the action Visit www.themikvehscrolls.com

The Yeshua Sanction Steven Lightfoot, 2011-11-29 This second book in The Mikveh Scrolls series is the thrilling continuation of the intense struggle for the souls of mankind raging between Dr Simon Cross The Reverend Geoffrey Proudman and their team of archaeological discoverers and the powers and principalities of darkness Darker than the first book in content and imagery The Yeshua Sanction is grittier and even more intensely focused on the all too real spiritual battle in which people of faith find themselves in today s secularly stylized world Author Steven G Lightfoot s use of demons and the persona of Satan to represent the very worst of the opposition drives home the point that though the book is fiction the battle is real Relentless action combined with thoughtful spiritual content make for an unparalleled reading experience The inspired foreword by Brittany McReynolds sets the tone for Lightfoot s literary craftsmanship You will be blessed
