WHAT IS THE SECRET OF SPIRITUAL STRENGTH AND VITALITY Watchman Nee was an early leader in what became China's phenomenal house church movement He was a Chinese missionary and martyr who spent the last 20 years of his life in a communist prison In this thoughtful and practical Christian classic THE NORMAL CHRISTIAN LIFE Nee reveals the secret of spiritual strength and vitality that should be the normal experience of every Christian In every chapter he unfolds the theme of Christ our Life His penetrating Godly wisdom brings the daily reality of following Christ into sharp focus He does so as one who is intimately acquainted with Christ and leaves one with a hunger to know Christ more intimately The Christian Life Witness Lee, The Christian life is mysterious and to know and live the Christian life is not an easy thing In this book Witness Lee presents a deeper understanding of the Christian life He begins by defining the Christian life as both the life in which the believers of Christ live Christ and magnify Christ and also the life in which the Christians live Christ and magnify Him corporately in their locality as a local church to be a local expression of Christ as a part of the universal Body of Christ In the following chapters Lee presents the contents of the Christian life and helps the reader to experience the all inclusive Spirit in order to live the proper Christian life The Reading and Preaching of the Scriptures in the Worship of the Christian Church, Vol. 7 Hughes Oliphant Old, 2010 The Reading and Preaching of the Scriptures in the Worship of the Christian Church is a multivolume study by Hughes Oliphant Old that canvasses the history of preaching from the words of Moses at Mount Sinai through modern times In Volume 1 The Biblical Period Old begins his survey by discussing the roots of the Christian ministry of the Word in the worship of Israel He then examines the preaching of Christ and the Apostles Finally Old looks at the development and practice of Christian preaching in the second and third centuries concluding with the ministry of Origen The Ministry, Vol. 09, No. 10 Various Authors, 2005-12-01 This issue of The Ministry contains the last nine messages given during the 2004 spring term of the Full time Training in Anaheim California The general subject of this series of messages is the God of Abraham Isaac and Jacob In a simple basic way the God of Abraham is the God of justification the God of Isaac is the God of grace and the God of Jacob is the God of transformation through divine discipline Messages 2 through 7 of the October 2005 issue of The Ministry presented the God of Abraham Messages 8 and 9 of that issue presented the God of Isaac In this issue Message 10 concludes the fellowship concerning the God of Isaac Isaac signifies our living a life of enjoying God hence we live a grace enjoying life for God's good pleasure Messages 11 through 17 present the God of Jacob The God of Jacob who is the God of transformation issues in the God of Israel who is the God of the transformed Jacob Message 18 presents the Israel of God All the experiences of the Father the Son and the Spirit represented by the lives and experiences of Abraham Isaac and Jacob are to produce this corporate person the Israel of God We do not have the experiences of the God of Abraham merely to be spiritual persons we do not enter into

the experiences represented by Isaac simply to be individuals enjoying God's grace in a personal way and we do not go through all the experiences represented by Jacob's long life just to end up as spiritual individuals who have some spiritual stature God desires a corporate person He wants a people to express Him and represent Him Last of all we include a report concerning the Lord's move in the United Kingdom

Jesus Christ Superstition Robert M. Price, 2019-09-04 Robert M Price a former Evangelical Christian examines the confusing intersection of Christianity and superstition by asking questions Is practicing the presence of God actually a variety of paranoia Is having a personal relationship with Jesus Christ really akin to a child playing with an imaginary friend At what point does a religious belief become an obsessive neurosis Price finds that the source of superstition in Christianity is the objectification of the transcendent As a result he argues many of the most destructive superstitions within Christianity are inessential accretions to the faith interfering with life transforming piety to the glad benefit of many of Christianity's adherents Christians who believe that an unexamined faith is not worth having will profit from struggling with Jesus Christ Superstition

Fujian Paul Hattaway, 2025-03-31 Many people are aware of the extraordinary explosion of Christianity throughout China in recent decades but few know how it has occurred In *The China Chronicles* Paul Hattaway draws on 35 years of experience in China and numerous first hand interviews with church leaders to provide insight into how the Living God has brought about the largest revival in the history of Christianity Presented in a style that is exciting relevant and transformative Hattaway documents the acts of the Holy Spirit throughout China preferring to focus on the wonderful things God has done for men rather than on what men have done for God Fujian a province in southeast China with more than 40 million people was considered an obscure region in the past but the gospel has blazed such a pathway that by the 1920s Fujian contained more Christians than any other province of China The home of key Chinese church leaders including John Sung Watchman Nee and Leland Wang the church in Fujian has impacted millions of people in Southeast Asia and throughout the world

A Study on Prayer: Prayer Is Power Rev. Frank Abrahamsen, 2011

The Empty Cross of Jesus Michael Green, 2023-09-28 The cross is too important a matter to be left to the theologians If it is true that God almighty was in Christ redeeming the world on Calvary then we need to understand what that cross can mean for ordinary individuals and communities With this conviction Green reexamines the question of atonement Why did Jesus have to die How could a loving God allow his son to suffer And what role does the resurrection play in this divine drama Rooting his discussion in Scripture Green opens up the meaning of Easter in an easy nontechnical style The empty cross of Jesus liberates the theologian inspires the preacher comforts the counselor and fortifies every disciple for a life of self sacrifice

Modern Chinese Theologies Chloë Starr, 2023-10-31 The majority of Christians in China over the course of the last century have worshipped not in missionary founded churches or in congregations affiliated with the contemporary Three Self Patriotic Movement or Chinese Catholic Patriotic Association but in independent and unregistered churches often labeled house churches From the Pentecostal and Charismatic movements

within the mission church landscape of the early twentieth century to the Calvinist Reformed movement in the present day Protestant church the vibrant faith life and extraordinary church growth of this sector of Chinese Christianity offer a fascinating witness and lesson to the world church Yet despite the size of their congregations and the spread of their teachings the theologies of these independent and unregistered churches have drawn much less academic attention than those of mission church or state church theologians This volume presents a selection of new studies on house church theologians and theologies These begin in the early twentieth century with studies of the Spiritual Gifts movement in Shandong and the nature of Pentecostalism in Hong Kong and arrive in the present with essays on the changing role of women's leadership in the church given the spread of Reformed thought and the theological implications of Westminsterian Neo Calvinism in China The second section of the volume is devoted to the theological writings and lives of the two most prominent independent church figures of the twentieth century Wang Mingdao and Ni Tuosheng Watchman Nee These chapters include studies of spiritual theology of Ni's doctrine of humanity his views on salvation and his prison letters and of Wang Mingdao's life and moral thought his Confucian beliefs and his understanding of the relationship of Christians to the state The third section of the volume foregrounds church voices like the fundamentalist Samuel Lamb and the mediating figure Yang Shaotang and considers local developments in Roman Catholicism in light of Vatican reforms

The Coming Chinese Church Paul Golf, Lee, 2013-10-31 While China is shaking the world in ever increasing ways behind the scenes it is the Church that is moving China And the Holy Spirit will not stop at China's borders From the fires of persecution to the toughest frontiers of mission the Chinese Church is rising up Many Chinese Christians are convinced that they are set to become a powerful missionary force that will reach to the ends of the earth Chinese believers know how to believe they know how to pray and they know how to remember and honor their spiritual heritage These qualities are leading believers to engage directly with the rest of the world The Coming Chinese Church tells stories of the Chinese revival previously unpublished in the West and offers prophetic insight into China's role in mission as it seeks to impact the world Drawing heavily on testimonies and stories from within the Chinese Church this luminous book deals with a number of major themes confronting the challenges of secularism anti Christian sentiment engaging with Islam personal and corporate revival
