The Poe Shadow By Matthew Pearl:

The Poe Shadow Matthew Pearl, 2007 Quentin Clark an ardent admirer of Edgar Allan Poes work puts his own career and reputation at risk in a passionate crusade to salvage Poes Following his phenomenal debut The Dante Club Pearl has again created a beautifully detailed ingeniously plotted tale of suspense

The Poe Shadow Matthew Pearl, 2011-10-31 Baltimore 1849 The body of Edgar Allan Poe has been buried in an unmarked grave The conclusion that Poe was a second rate writer who died a drunkard is accepted by all But none of this deters Quentin Clark an ardent admirer who risks his own career and reputation in a passionate crusade to salvage Poe s Clark discovers that Poe s last days are riddled with vital unanswered questions But just when Poe s death looks destined to remain a mystery Quentin seeks out the one person who can solve this strange case the real life model for Poe s brilliant fictional detective character C Auguste Dupin Having successfully recruited the man he believes to have inspired Poe s Dupin Clarke is confronted by another claiming to be the true model The two master detectives each seek to prove he is the real Dupin by solving the mystery of Poe s death Clark finds himself enmeshed in sinister machinations involving international political agents a female assassin the corrupt Baltimore slave trade and the lost secrets of Poe s final hours With his own future hanging in the balance he must turn master investigator himself to unchain his now imperilled fate from that of Poe

Walking Shadows Ib Johansen, 2015-08-25 Walking Shadows focuses on the American fantastic and the American grotesque attempting in this manner for the first time to establish an overview of and a theoretical approach to two literary modes that have often been regarded as essential to an understanding of the American cultural canon The central importance of these two literary forms has been pointed out earlier by important theorists such as Stanley Cavell David Reynolds and William Van O Connor A number of literary works from the beginning of the nineteenth to the end of the twentieth centuries are taken up in order to illustrate the inherent links or family resemblances between the two modes with special reference to the way in which a Bakhtinian reading may facilitate our appreciation of their status within the canon These excursions into the House of Fantastic and Grotesque Fiction may be of interest not only to hardcore aficionados but also to philosophically minded readers in general in particular perhaps to those who have paid acute attention to debates on late twentieth and early twenty first century post structuralism and deconstruction where the classic positions of Foucault Derrida et al still appear to be relevant
