The Prophetess By Barbara Wood:

The Prophetess Barbara Wood, 2015-06-02 The time is December 1999 Millennial fever holds the world in its grip stirring ancient and terrible fears that the apocalypse is at hand In the Sinai desert archeologist Catherine Alexander just unearthed a cache of six ancient papyrus scrolls that point to the millennium s most transforming secret Discovered inside the legendary Well of Miriam a site named after the ancient prophetess who was the sister of Moses the scrolls reveal a hidden history of the world and its religions a series of shattering revelations that governments will do anything to suppress and that an enigmatic billionaire named Miles Havers will do anything to possess But there is more a seventh scroll that contains a secret of almost unimaginable power It is a secret that may cost Catherine her life as she dodges government agents Vatican operatives and cyberspace perils in her race to translate the scrolls and release their powers to the world Aided by two very different and compelling men Dr Julius Voss and Father Michael Garibaldi Catherine finds herself caught up in the adventure of a lifetime and a struggle that she must win

The Blessing Stone Barbara Wood, 2025-06-25 From the 1 internationally bestselling author comes a sweeping epic that chronicles the history of the world through the destiny of a mysterious blue stone Millions of years ago a meteorite fell to earth and shattered revealing a beautiful blue stone One hundred thousand years ago a girl named Tall One found the crystal on the African plain and it formed her destiny as well as the destiny of generations to come From ancient Israel to Imperial Rome medieval England to fifteenth century Germany the eighteenth century Caribbean and the nineteenth century American West the destiny of the stone and the history of the world unfold Each story is full of the betrayals and obsessions of the human heart and the quests of the human spirit In *The Blessing Stone* Barbara Wood has both told the intimate details of her characters lives and created a sense of the epic sweep of human history

Secret Scrolls Robert M. Price, 2010-12-27 *Secret Scrolls* is the very first examination of some forty novels in which someone discovers a new gospel Sometimes it turns out to be a hoax will it be debunked before it can work its mischief If it proves genuine will it be brought to light Or will corrupt church officials manage to prevent it The book evaluates what each author has to say about historical Jesus scholarship or New Testament research in general Sometimes the authors have done their homework other times they haven t bothered and they wind up dishing up crazy rewrites of history and outlandish theories These novels deal with abiding issues of faith even without some new discovery As soon as one engages in biblical apologetics one has stepped onto the marshy ground of probabilistic arguments an entirely different epistemology that automatically replaces simple faith And so one comes to hold one s religious convictions more tentatively having become genuinely vulnerable to new evidence One may not remain a believer for long On the other hand one invites fanaticism if one s faith is dangerously predicated on the assurance that no new discovery will send one back to the drawing board *Secret Scrolls* assesses what each author imagines it would take to derail and debunk Christianity How mighty a blow must be dealt before the religion would fall Dan Brown s notion that a married Jesus would debunk the Nicene Creed is

laughable As Wilbert Francis Howard once argued in his brief and fascinating history of New Testament research there is a genuine romance of New Testament scholarship and many of us are delighted to have the adventure continue in the speculative imaginations of capable novelists These books can both entertain and educate and so will Secret Scrolls

Gospel Thrillers Andrew S. Jacobs,2023-11-30 What if the original teachings of Jesus were different from the Bible s sanitized orthodox version What covert motivations might inspire those who decide what the text of the Bible says or what it means For some who ask conspiratorial questions like these the Bible is the vulnerable victim of secular forces seeking to divest the USA of its founding identity For others the biblical canon suppresses religious truths that could upend the status quo Such suspicions surrounding the Bible find full expression in Gospel Thrillers a 1960s fictional genre that endures and still commands a substantial following These novels imagine a freshly discovered first century gospel and a race against time to unlock its buried secrets They also reflect the fears and desires that the Bible continues to generate Andrew Jacobs reveals in his authoritative examination how this remarkable fictional archive opens a window onto disturbing biblical anxieties

Rainbows on the Moon Barbara Wood,2014-10-28 I was born for adventure I flout convention I am a New Woman on a holy purpose Newlywed Emily Stone and her husband Isaac are young missionaries who have traveled from New England to Honolulu to share the Gospel with the Hawaiian natives Gentle adventurous well bred and beautiful Emily soon finds herself struggling with intense homesickness but remains determined to share her faith and ignore her growing feelings for handsome Captain MacKenzie Farrow Just as she begins to bond with the influential High Chiefess Pua and her daughter Mahina unexpected tragedy threatens to force her off the island In a state of confusion Emily makes a decision that could destroy everything she knows and loves including her own sanity Three decades later Sister Theresa comes to the islands as a missionary nurse and becomes acquainted with Captain Farrow s charming son a powerful man who is instrumental in Hawaii s alliance with America Theresa discovers that a dark curse is plaguing his family and the island s inhabitants a curse that only Emily and Mahina can help her reverse With richly imagined characters and spellbinding scenery in the tradition of James A Michener s Hawaii Rainbows on the Moon is a masterful depiction of the beauty of human emotion **Woman of a**

Thousand Secrets Barbara Wood,2008 An epic of magic and intrigue This is the story of Tonina She came from the sea found floating in a basket by a childless couple Unlike the fellow villagers in her adoptive home she is tall lean and light skinned When she turns nineteen her parents know they must send her back to her people And here is where Toninas tale of survival and sacrifice of luck magic intrigue danger romance and betrayal begins *Words on Cassette*, 2002 R R Bowker Publishing,2002 **The Publishers Weekly** ,1997 **Quill & Quire** ,1996 **Cassette Books** Library of Congress. Kartzow,2025-01-23 This volume explores the idea of the unruly book from books now known by their titles alone to books that subverted structures of power and gender The contributors show how these books functioned as sticky objects and they examine the story of what such books signified to the people who wrote read discussed yearned for or even prohibited them The books examined are those of the first millennium of the Common Era and the writings of Judaism Christianity Islam and related traditions In particular the contributors examine the bounty of books within this period that are hard to pin down whether extant lost or imagined books that challenge modern scholars to reconceptualize our notions of books biblical or otherwise religion manuscript culture and intellectual history Through the critical analyses presented in this volume the contributors negotiate the diverse stories told by unruly books and show that by listening to the stories that books tell we learn more about the worlds that imagined and discussed them **Talking Book Topics** ,1999 Includes audio versions and annual title author index

The Prophetess By Barbara Wood Introduction

In the digital age, access to information has become easier than ever before. The ability to download The Prophetess By Barbara Wood has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download The Prophetess By Barbara Wood has opened up a world of possibilities. Downloading The Prophetess By Barbara Wood provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading The Prophetess By Barbara Wood has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download The Prophetess By Barbara Wood. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading The Prophetess By Barbara Wood. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading The Prophetess By Barbara Wood, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download The Prophetess By Barbara Wood has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available

and embark on a journey of continuous learning and intellectual growth.
