The Serpentine Scrolls By Alcatraz Dey:

The Devil Never Loves Alcatraz Dey, 2019 The Devil is always a step ahead for it can lie its way through It is always on the move and never stable It is the devil who restores balance in the world For who will pray to the angels if the devil was not there Most of the stories we hear are usually false It is up to our reckoning and belief that makes a story worthwhile and real This is the story of Michael Entabby or maybe it is not This might just be his imagination flying in the sky trying to fool us all All the joy in the world could not satisfy the evil in us Greed lust and gluttony that suck us towards our grave stomp over us time and again somehow has always been a part of our existence It s a very putrid fact that the beginning is a successor to the end and what better way for the end to embrace us while we are joyous
