

The top portion of the book cover features a black and white photograph of three people in business attire walking away from the viewer on a city street. The person in the center is a woman in a dark suit, flanked by two men in suits. The background is slightly blurred, suggesting motion.

Atlanta and Environs Franklin M. Garrett,2011-03-01 Atlanta and Environs is in every way an exhaustive history of the Atlanta Area from the time of its settlement in the 1820s through the 1970s Volumes I and II together more than two thousand pages in length represent a quarter century of research by their author Franklin M Garrett a man called a walking encyclopedia on Atlanta history by the Atlanta Journal Constitution With the publication of Volume III by Harold H Martin this chronicle of the South s most vibrant city incorporates the spectacular growth and enterprise that have characterized Atlanta in recent decades The work is arranged chronologically with a section devoted to each decade a chapter to each year Volume I covers the history of Atlanta and its people up to 1880 ranging from the city s founding as Terminus through its Civil War destruction and subsequent phoenixlike rebirth Volume II details Atlanta s development from 1880 through the 1930s including occurrences of such diversity as the development of the Coca Cola Company and the Atlanta premiere of Gone with the Wind Taking up the city s fortunes in the 1940s Volume III spans the years of Atlanta s greatest growth Tracing the rise of new building on the downtown skyline and the construction of Hartsfield International Airport on the city s perimeter covering the politics at City Hall and the box scores of Atlanta s new baseball team recounting the changing terms of race relations and the city s growing support of the arts the last volume of Atlanta and Environs documents the maturation of the South s preeminent city The National Corporation Reporter ,1891 **Hutchinson's Washington and Georgetown Directory** ,1892 Bankers Magazine ,1891 **Official Gazette of the United States Patent Office** United States. Patent Office,1950 Ohio Law Journal ,1880 *The Ohio Law Journal* ,1880 **The Michigan Alumnus** ,1980 In volumes1-8 the final number consists of the Commencement annual The Chicago Legal News ,1891 The Presidency of William McKinley Lewis L. Gould,1980 In this interpretation of the McKinley presidency Lewis L Gould contends that William McKinley was the first modern president Making use of extensive original research in manuscript collections in the United States Great Britain and France Gould argues that during McKinley s four and a half years in the White House the executive office began to resemble the institution as the twentieth century would know it He rejects the erroneous stereotypes that have long obscured McKinley s historical significance McKinley as the compliant agent of Mark Hanna or as an irresolute executive in the Cuban crisis that led to war with Spain He contends that McKinley is an important figure in the history of the United States because of the large contributions he made to the strengthening and broadening of the power of the chief executive While this volume touches on many aspects of McKinley s leadership the core of it relates to the coming of the Spanish American War the president s conduct of the war itself and the emergence of an American empire from 1898 to 1900 According to Gould the Spanish American War was not the result presidential weakness or of cowardice

before public hysteria McKinley sought to persuade Spain to relinquish Cuba peacefully turning to war only when it became apparent that Madrid would never acquiesce During the war McKinley effectively directed the American military effort and the diplomacy that brought territorial acquisitions and peace The process of making peace with Spain involving as it did American annexation of the Philippines and of securing the ratification of the resulting treaty in the Senate underscored McKinley s expansive view of presidential power He functioned as chief diplomat from the sending of senators on the peace commission to the personal supervision of the terms of the negotiation At home he made tours of the West and South in 1898 to lead popular opinion to his position as no president had done before him For the Senate he evidenced a readiness to dispense patronage woo votes with personal persuasion and marshal the resources of the political system behind his treaty Later episodes in McKinley s administration support Gould s thesis In administering Puerto Rico and Cuba and in suppressing an insurrection in the Philippines McKinley relied further on the war power and continued to shape affairs from the White House He sent troops to china during the Boxer Rebellion in 1900 without congressional authorization governed the new possessions through presidential commissions and allowed Capitol Hill only a subsidiary role in the process By 1901 the nation had an empire and a president whose manner and bearing anticipated the imperial executives of six decades later Gould does not argue that McKinley was a great president He maintains instead that what McKinley contributed to the office the examples he offered and the precedents he set make him an important figure in the emergence of the modern presidency in this century

Annals of the Congress of the United States United States. Congress,1853 *The American Bar Reference Handbook* ,1974 **The Congressional Globe** United States. Congress,1853 *The Debates and Proceedings in the Congress of the United States* United States.
