

The number of inmates employed with CORCAN at each of CSC's federal correctional institutions across Canada, as of the following dates:

The below data had been retrieved with the Correctional Service of Canada's Corporate Reporting System. The system does not allow us to retrieve data by specific date, which in this case is January 1st. Nevertheless, it permits us to gather the data at the end of each monthly period. It is in this fashion that the below numbers are presented, as they indicate the number of offenders who were employed in CORCAN shops during the entire month of December of the previous year. The first table offers a national overview and the second table offers an overview per correctional institutions.

National

Date	National - Number of inmates
January 1, 2016 (as of the last day of December 2015)	1,660
January 1, 2015 (as of the last day of December 2014)	1,715
January 1, 2014 (as of the last day of December 2013)	1,595
January 1, 2013 (as of the last day of December 2012)	1,750
January 1, 2012 (as of the last day of December 2011)	1,857
January 1, 2011 (as of the last day of December 2010)	1,655
January 1, 2010 (as of the last day of December 2009)	1,845

Correctional Service Intate 2016:

The Wiley Handbook on What Works with Girls and Women in Conflict with the Law Shelley L. Brown, Loraine Gelsthorpe, 2022-03-14 The Wiley Handbook on What Works with Girls and Women in Conflict with the Law The most practical discussion of the rehabilitation of girls and women in conflict with the law in the correctional arena What Works with Girls and Women in Conflict with the Law is the leading examination of evidence based practice in the field of gender responsive corrections Adopting an international and intersectional approach the distinguished authors seek to collect the best available data and thinking on what works with girls and women and apply it to the real world problems facing correctional systems today As part of its contextual and rich approach to the subject What Works with girls and women in conflict with the law covers a broad variety of topics ranging from theories of female involvement in crime security classification and risk assessment evidence based treatment and supervision approaches special populations such as Indigenous women to legal policy developments in the field of gender responsive corrections Perfect for students and practitioners in the field of psychology criminology social work criminal justice and corrections this is the only reference of its kind to focus on the practical applications of the latest theory

The Practice of Correctional Psychology Marguerite Ternes, Philip R. Magaletta, Marc W. Patry, 2018-11-24 This highly accessible volume tours the competencies and challenges relating to contemporary mental health service delivery in correctional settings Balancing the general and specific knowledge needed for conducting effective therapy in jails and prisons leading experts present eclectic theoretical models current statistics diagnostic information and frontline wisdom Evidence based practices are detailed for mental health assessment treatment and management of inmates including specialized populations women youth and offenders with specific pathologies sexual offenders psychopaths And readers are reminded that correctional psychology is in an evolutionary state adapting to the diverse needs of populations and practitioners in the context of reducing further offending Included in the coverage Assessing and treating offenders with mental illness Substance use disorders in correctional populations Assessing and treating offenders with intellectual disabilities Assessing and treating those who have committed sexual offenses Self harm suicidality in corrections Correctional staff The issue of job stress The Practice of Correctional Psychology will be of major interest to psychologists social workers and master s level clinicians and students who work in correctional institutions and settings with offenders on parole or probation as well as other professionals within the correctional system who work directly with offenders such as probation officers parole officers program officers and corrections officers

Our Prisoners William Fielding, Virginia Ballance, Philip Smith, Alexandre Veyrat-Pontet, Heather Sutton, 2019-04-03 This publication a collaboration between the Inter American Development Bank and the University of The Bahamas presents the findings of a study of sentenced inmates at the prison in The Bahamas known at the Department of Correctional Services Facility Fox Hill The materials provide invaluable insight into public policy to further support the

transformation of citizen security in The Bahamas Robust and reliable information is needed to effectively diagnose plan carry out and monitor correctional policies The data generated by this publication and its underlying research are key inputs for the IDB s Citizen Security and Justice Knowledge Strategy which aims to better inform the public debate and decision makers about institutional performance of the criminal justice sectors in Latin America and the Caribbean **Prison Dog**

Programs Mary Renck Jalongo,2019-09-03 This edited volume brings together a diverse group of contributors to create a review of research and an agenda for the future of dog care and training in correctional facilities Bolstered by research that documents the potential benefits of HAI many correctional facilities have implemented prison dog programs that involve inmates in the care and training of canines not only as family dogs but also as service dogs for people with psychological and or physical disabilities Providing an evidence based treatment of the topic this book also draws upon the vast practical experience of individuals who have successfully begun maintained improved and evaluated various types of dog programs with inmates it includes first person perspectives from all of the stakeholders in a prison dog program the corrections staff the recipients of the dogs the inmate trainers and the community volunteers and sponsors Human animal interaction HAI is a burgeoning field of research that spans different disciplines corrections psychology education social work animal welfare and veterinary medicine to name a few Written for an array of professionals interested in prison dog programs the book will hold special interest for researchers in criminal justice and corrections forensic psychology and to those with a commitment to promoting the ideals of rehabilitation desistance thinking restorative justice and re entry tools for inmates *Handbook on*

Prisons and Jails Danielle Rudes,Gaylene Armstrong,Kimberly Kras,TaLisa Carter,2023-09-26 The Handbook on Prisons and Jails brings together some of the brightest scholars and thinkers in the field to offer a wide range of perspectives for understanding the experiences of persons incarcerated or working volunteering within carceral institutions The assembled chapters consider what is known in the area while identifying emerging areas for theoretical empirical and policy work The volume includes contributions on numerous topics and areas related to penal control containment living and or working in carceral institutions and addresses methodological considerations for doing research with individuals incarcerated in jail or prison This collection is essential reading for scholars and students seeking an up to date guide to contemporary issues facing corrections and sentencing It also provides practitioners with valuable resources for developing socially informed policies and practices **Punishment, Probation and Parole** Katharina Maier,Rosemary Ricciardelli,Fergus

McNeill,2023-12-14 Punishment Probation and Parole brings together leading scholars to explore the various dimensions and emerging concepts of community based penalties and models for their future **Prisons and Community Corrections**

Philip Birch,Louise Sicard,2020-08-09 This edited collection brings together leading international academics and researchers to provide a comprehensive body of literature that informs the future of prison and wider corrective services training education research policy and practice This volume addresses a range of 21st century issues faced by modern corrective

services including prison overcrowding young and ageing offenders mental health sexual assault in corrective facilities trans communities in corrective services and radicalisation of offenders within corrective services Taking a multi disciplinary approach and drawing together theoretical and practice debates the book comprehensively considers current challenges and future trajectories for corrective systems the people within them and service delivery This volume will also be a welcomed resource for academics and researchers who have an interest in prisons corrective services practice and broader criminal justice issues It will also be of interest to those who want to join corrective services those who are currently training to become personnel in corrective services and related allied professions and those who are currently working in the field

Forensic Mental Health Michele P. Bratina, 2022-09-08 In this book author Michele P Bratina demonstrates how the Sequential Intercept Model SIM supports integration of the U S healthcare and justice systems to offer more positive outcomes for offenders with mental illness The book describes a criminal justice mental health nexus that touches every population juvenile and adult male and female offenders probationers and parolees the aging adult prison population and victims of crime In the United States today the criminal justice system functions as a mental health provider but at great cost to society The author summarizes the historical roots of this crisis and provides an overview of mental illness and symptoms using graphics case studies and spotlight features to illustrate the most pressing issues encountered by justice and behavioral health professionals and the populations they serve Forensic Mental Health takes a multidisciplinary approach addressing social work psychology counseling and special education and covers developments such as case law related to the right to treatment and trauma informed care Designed for advanced undergraduates this text also serves as a training resource for practitioners working with the many affected justice involved individuals with mental illness and co occurring substance use disorders including juveniles and veterans

Correctional Counseling and Treatment Peter C. Kratcoski, 2017-04-27 This book provides a comprehensive overview of the methods used in the Criminal Justice system in the United States to counsel and treat offenders It is aimed at advanced undergraduate and early graduate level students for courses in Correctional Treatment or Rehabilitation or Community Corrections more broadly The sections in the book provide Aims and Scope of Correctional Counseling and Treatment Tools that Corrections Workers Use including counseling and case management Behavioral Modification Treatments Examples and Applications Cognitive Therapies Examples and Applications Throughout the text there is an emphasis on the big picture the interaction of the correctional component of the justice system with other components particularly courts including special courts like family courts drug courts veterans courts and other programs Chapters in this book address the diverse population of correctional facilities including juvenile offenders those with mental illness addiction and substance abuse problems physical and mental disabilities and homeless populations The author also provides analysis of how legislation influences the corrections process This work is also enhanced by providing comparative analysis of the criminal and juvenile justice systems their goals objectives and how these can affect

counseling and treatment available within these two systems This pedagogical features of this engaging text include excerpted interviews with correctional practitioners about the problems and challenges they encounter discussion questions classification instruments and real world examples of specific treatments programs and case studies that give students the chance to select the appropriate interviewing counseling or treatment approach to deal with the problem issues of the case This work provides students with an overview of the methods used for Correctional Treatment and Counseling and the tools to begin to think critically about how and when to apply these methods **Nursing in Prison** Joanne Brooke,2023-07-19 This Textbook addresses a gap in the market as currently there are no contemporary books exploring nursing within a prison setting The main focus is the provision of healthcare in the Prison Service of England and Wales although examples will also be drawn from the United States of America and Australia Healthcare within prison settings has changed remarkably to address the needs of the changing prison populations Thus this text is clearly structured to support student nurses to understand the role of the nurse within prison and how the different specialities of nursing are applied in this unique setting This textbook provides an overview of the context of prison prisoners and healthcare as well as the experiences of nurse specialists who work in this field including adult mental health and learning disability nurses across primary care mental health services substance misuse and end of life care This volume is informative for both undergraduate student nurses and for qualified nurses and dispels many myths regarding working as a nurse in a prison Each chapter is written by experts within the field including nurses who have worked or still working within the prison setting An important objective of this work is to inform student nurses of the possibility and opportunity of a nursing career within a prison setting

Correctional Health Care Delivery Kenneth L. Faiver,2020-02-18 Each person confined in jails prisons and juvenile detention facilities must be afforded unimpeded access to needed health care Such persons without risk of interference or fear of reprisal should be able to alert health care staff of a medical need obtain a timely professional evaluation of that need and receive treatment in the manner prescribed by a competent provider Simply stated no correctional officer should ever prevent impede or inhibit anyone from alerting a health care provider of a perceived need for health services even though the officer may believe the request is trivial fictitious or undeserved This book focuses on access to health care services by special populations in correctional institutions women youths elderly persons with dementia and the terminally ill which includes important information on privatization in corrections The following topics are featured the context principles balance and implications of correctional health care including the recent detention of immigrants in the United States the unimpeded access to care enhancements stress reductions health literacy culture ethnicity religion intake health screening medical clearance for transfer or release medications and clinical appointments emergency care services special settings copayments and budgeting for health care services privatization contracts evaluating bids monitoring the contract and minimizing adverse risks special health concerns of incarcerated women communicable disease pregnancy related concerns

aging frailty osteoporosis mental health cosmetic concerns health education and job assignments youth in corrections hygiene exercise gender specific needs of young women informed consent supervision of vulnerable youth substance abuse treatment and the community connection special health needs and humane care and alternative care of the aging the prevalence person centered care elements of care environment restraints visits and the ethics of incarcerating persons with dementia The book concludes with end of life care in prison hospice palliative care and compassionate release It will serve as an invaluable tool for correctional officers health care providers justice and legal professionals social workers mental health professionals and counselors

The American Psychiatric Association Publishing Textbook of Suicide Risk Assessment and Management, Third Edition Liza H. Gold, M.D., Richard L. Frierson, M.D., 2020-01-08 This edition offers new perspectives on suicide at a variety of levels such as the medical and social use of destigmatizing and more precise language In addition chapter authors review research that identifies additional suicide risk factors and their clinical implications Current issues related to suicide are also discussed including nonfatal self injurious behavior physician assisted suicide and teaching suicide risk assessment and management during psychiatric residency This third edition also examines the increased rates of suicide among specific populations including children adolescents and college students and makes recommendations regarding suicide risk management in these populations

Public Health Behind Bars Robert B. Greifinger, 2021-10-25 *Public Health Behind Bars* From Prisons to Communities examines the burden of illness in the growing prison population and analyzes the impact on public health as prisoners are released This book makes a timely case for correctional health care that is humane for those incarcerated and beneficial to the communities they reenter

Mental Health in Prisons Alice Mills, Kathleen Kendall, 2018-11-19 This book examines how the prison environment architecture and culture can affect mental health as well as determine both the type and delivery of mental health services It also discusses how non medical practices such as peer support and prison education programs offer the possibility of transformative practice and support By drawing on international contributions it furthermore demonstrates how mental health in prisons is affected by wider socio economic and cultural factors and how in recent years neo liberalism has abandoned criminalised and contained large numbers of the world's most marginalised and vulnerable populations Overall this collection challenges the dominant narrative of individualism by focusing instead on the relationship between structural inequalities suffering survival and punishment Chapter 2 of this book is available open access under a CC BY 4.0 license via link.springer.com

Ethical and Legal Perspectives in Fetal Alcohol Spectrum Disorders (FASD) Egon Jonsson, Sterling Clarren, Ian Binnie, 2018-02-15 This book discusses how to deal ethically with people with Fetal Alcohol Spectrum Disorder FASD in the police courts and correctional services Ethical and legal issues associated with the deficits of individuals with brain disorders such as FASD are surfacing more and more frequently in criminal proceedings People with FASD often have not been diagnosed and rarely exhibit any visible evidence of the disorder It has been argued that this invisible disability puts

them in a disadvantaged position in the justice system since the awareness of this condition is limited The need to identify and to address FASD more effectively and the many ethical issues this raises within the context of the law is increasingly acknowledged within judicial and legislative branches as well as in government departments agencies and community programs that provide services to those with FASD and their caretakers and families This is the first book to give to elaborate on ethical and legal issues of FASD Life on The Outside Amy Sheppard,2024-07-12 This book seeks to understand how women s experiences both within and outside prisons shape their ability to engage in crime free living after the experience of prison It uses women s stories to examine their cognitive shifts toward desistance as well as the structural services that may help with the desistance process It also examines the impacts of addiction and stigma on the desistance processes and develops the theories of desistance Written by a practitioner this book includes the voices of service providers who are rarely heard from to provide unique insight into how criminalized women s desistance processes can be supported It offers

intersectional feminist perspectives and anti carceral abolitionist perspectives **Handbook of Forensic Social Work** David Axlyn McLeod,Anthony P. Natale,Kristin W. Mapson,2024 The Handbook of Forensic Social Work Practice provides important reference content on the justice system the differential nature by which people families and communities navigate it and the various ways social workers interface with forensic systems and associated client populations The Handbook is an essential and accessible resource for social workers in forensic practice that synthesizes current theory policy and practice

Introduction to Corrections Robert D. Hanser,2023-02-14 Introduction to Corrections provides students with a comprehensive foundation of corrections that is practitioner driven and grounded in modern research and theoretical origins This text uniquely illustrates how the day to day practitioner conducts business in the field of corrections in both institutional and community settings Experienced correctional practitioner scholar and author Robert D Hanser shows students how the corrections system actually works from classification to security to treatment to demonstrating how and why correctional practices are implemented Key Features Balanced coverage of research and practice offers students a comprehensive view of the field and evidence based practices as they prepare for a career in corrections and or the criminal justice system Assessment and classification from both institutional and community corrections perspectives offer students a well rounded understanding of the field of corrections Exclusive Prison Tour and Inmate videos provide a view into the daily operations of the correctional facilities at Angola State Penitentiary and Richwood Correctional Center with commentary from correctional staff Engaging chapter opening vignettes highlight important issues in corrections and allow students to understand the challenges corrections practitioners face each day Various issues associated with specialized offender typologies help students understand a variety of offenders they will encounter in the field such as female offenders geriatric offenders mentally ill offenders gang offenders and others **Community Re-Entry** Alison Pedlar,Susan Arai,Felice Yuen,Darla Fortune,2018-01-19 In their journeys to prison and community re entry women leaving prison tend to share overarching

challenges connected to lives of poverty trauma and abuse Community Re Entry Uncertain Futures for Women Leaving Prison provides a rare opportunity to hear directly from women who have spent time in a Canadian federal penitentiary Based on more than a decade of engagement with women in prison the authors gathered rich and personal information on women s lived experiences during incarceration and what they anticipated and hoped for on release This book relates their narratives and the authors critical analysis of their experiences both within and outside prison By bridging relational and other critical theories critical feminist critical race critical disability and post structural understandings with lived experience this volume sheds light on the challenges incarcerated women face as they seek to return to the community as valued and contributing citizens Community Re Entry s unique perspective on women s post imprisonment policy will appeal to academics community based advocates and activists and undergraduate and postgraduate students studying criminology and social science courses on gender and crime correctional policy and qualitative research methods *National Prison Rape Elimination Commission Report and Standards* United States. Congress. House. Committee on the Judiciary. Subcommittee on Crime, Terrorism, and Homeland Security,2010

Correctional Service Intate 2016 Introduction

In today's digital age, the availability of Correctional Service Intate 2016 books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Correctional Service Intate 2016 books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Correctional Service Intate 2016 books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Correctional Service Intate 2016 versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Correctional Service Intate 2016 books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Correctional Service Intate 2016 books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature

enthusiasts. Another popular platform for Correctional Service Intate 2016 books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Correctional Service Intate 2016 books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Correctional Service Intate 2016 books and manuals for download and embark on your journey of knowledge?

FAQs About Correctional Service Intate 2016 Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Correctional Service Intate 2016 is one of the best book in our library for free trial. We provide copy of Correctional Service Intate 2016 in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Correctional Service Intate 2016. Where to download Correctional Service Intate 2016 online for free? Are you looking for Correctional Service Intate 2016 PDF? This is

definitely going to save you time and cash in something you should think about.
